

Rake Alaska Coast For Lost Aviators, Missing 36 Hours

Naval Craft Brave Icy
Gales in Search for Ma-
jor Martin and Mechanic
Harvey.

CALL IS BROADCAST
TO ALL NEAR SHIPS

Several Days Required To
Visit All Inlets, Capes
and Bays for Men Lost
on World Flight.

(BY THE ASSOCIATED PRESS.)
Bremerton, Wash., May 1.—After
more than 36 hours, no report has
been received at the navy wireless
station here from Chignik, Alaska,
regarding the probable fate of Major
Frederick L. Martin, commanding an
American aerial squadron encircling
the globe, and his mechanic, Sergeant
Alva Harvey, who left that point at
11:10 a. m. yesterday for Dutch Har-
bor.

A delayed cablegram, dated April
30, received here late today from
Cordova and filed before Major Martin
left Chignik, which said the flying
commander was still at Chignik, gave
rise to the report that he was safe
at that place.

MORE THAN SCORE VESSELS ON SEARCH.

Cordova, Alaska, May 1.—A score
or more naval craft, braving an icy
gale, are raking the coast of the Alas-
ka peninsula in the search for Major
Frederick Martin, commander of the
American round-the-world airplane
flight, in the flag plane "Seattle."

Major Martin hopped off from Chig-
rik shortly before noon Wednesday
and headed through a snow-laden gale
for Dutch Harbor, Alaska, where
his three flying subordinates and their
planes awaited him.

The snow soon hid him from the
straining eyes of the watchers he had
left behind, and since that time no
word has been heard of the "Seattle."

When no report of Martin reached
here Thursday, the naval radio sta-
tion broadcasted a call to all vessels
in the vicinity to put to sea immedi-
ately to find him. The coast guard
cutter Algonquin is near the Shumagin
Islands and has been notified that
the plane is missing.

Besides the Algonquin, word has
been received from the coast guard
survey boat Pioneer and the coast
guard cutter Haida and numerous
gas boats that they are also engaged
in the search.

These vessels are covering the area
along the Alaska peninsula coast line
from Chignik to the Shumagin
Islands, but so far have found no
trace of the missing machine or its
crew.

MAN'S ARRIVAL AT HOME ROUTES THREE BANDITS

The return home of C. L. Lillard,
of 1400 Luckie street, Thursday night
routed three unidentified white band-
its who are thought to have been
looting the house. However, a care-
ful check revealed that an automatic
revolver is the only article missing,
and it is thought that the men were
frightened off shortly after they en-
tered the house.

Lillard told Call Officers Cart-
right and Stone that as he neared the
residence he heard a window raised,
and ran to the side of the house just
in time to see a man leap from the
window sill and disappear. An in-
stant later two men dashed from the
rear door, and followed the first down
Luckie street. As he was unharmed,
Lillard made no attempt at pursuit.

Hugh Thompson, 14, of 64 Carnegie
way, reported that he was passing
the three men run from the house,
the place at the time, and also saw
the three men run from the house.

Rome Applauds With Fervor At Premiere of Opera "Nero"

WORK OF BOITO FINALLY PRESENTED TO WORLD

BY FRANCISCO REA.
Rome, May 1.—For nearly 30
years Italy awaited the posthumous
premiere of Arrigo Boito's opera
"Nero," gorgeous epic of the burning
of Rome, which was withheld from the
public before the death of the famous
composer.

Kept from hearing the opera, Italy
clamored for it. When it was finally
presented for the first time Thurs-
day night, almost 7,000 persons camped
in front of the Scala theater at
Milan from dawn, awaiting the open-
ing of the box office for the sale of
balcony seats.

At the performance the madly en-
thusiastic audience demanded a total
of 29 curtain calls.
No world's series or championship
fight in America ever created more
national excitement than has been
stirred up by the production. Peo-
ple have gone to Milan from all parts
of Italy. Applicants for tickets
brought chairs and luncheon baskets,
while police reserves were on hand
to deal with the almost endless lines
of people.

BASIS OF CHARGES FLIMSY, ADMITS WHEELER ACCUSER

Blair Coan Admits Being
Sent to Montana by G.
O. P. Secretary To In-
vestigate Senators.

Washington, May 1.—Investigation
of the charges in the indictment re-
turned against Senator Wheeler, dem-
ocrat, Montana, by a federal grand
jury in his state, practically was com-
pleted today by the special senate
committee.

Blair Coan, the last witness heard,
testified that he had been sent to
Montana by George S. Lockwood, sec-
retary of the republican national com-
mittee, to investigate the activities
not only of Senator Wheeler, prose-
cutor of the Daugherty committee, but
also of another senator. After he left
the witness stand, Coan said this sen-
ator was Senator Walsh, democrat,
Montana, prosecutor of the oil com-
mittee.

Coan told the committee he had no
personal knowledge as to any em-
ployment of Senator Wheeler by Gor-
don Campbell, Montana oil man, to
prosecute oil permits before the in-
terior department. He stated that the
department of justice had some impor-
tant documents bearing on the case
which might interest the committee.
It was agreed that Attorney General
Stone would be asked to furnish them.
W. W. Rhea, of Idaho Springs,
Colorado, who said he had had an in-
terview in the Phil McGowan permit
held by Campbell, testified that he
had heard Senator Wheeler say that
Campbell and Rhea need not worry
about that permit; that this would be
all taken care of when he got back
to Washington.

No Record in Files.
Before Rhea was called, Chairman
Boah put into the record a letter
saying that an examination of the
files of the land office failed to dis-
close that Senator Wheeler had ap-
peared there.

Maximum Terms Given First Time Under Auto Law

Two Men Sentenced for Pos-
sessing Car, Knowing Li-
cense Tag Changed.

Sentences of ten years each, the
maximum under the law, were im-
posed for the first time since the sta-
tute was passed in 1922 when Joel
Smith and Irving L. Gravitt, of For-
syth county, were found guilty in Ful-
ton superior court Thursday of pos-
sessing an automobile, knowing the
tag number had been changed. Judge
G. H. Howard passed the sentence
following conviction by a jury.

The maximum penalty for pos-
sessing a car knowing the license num-
ber had been changed is greater than that
for stealing the machine. Smith and
Gravitt were indicted on three counts,
along with Ernest Gravitt, Art Mar-
tin and Walker Martin, in connection
with the theft of an automobile be-
longing to H. F. Osborn, of Atlanta.
The first count charged the theft of
the car, the second receiving stolen
goods, in connection with the same
automobile, and the third possessing
the automobile knowing the license
number had been changed.

All men were acquitted on the first
two counts, a verdict of not guilty was
directed as to the entire indictment.

SOUTHERN SWEEP OF TORNADO TAKES 109 IN DEATH TOLL

List of Dead Mounts as
Lines of Communication
Are Opened in Stricken
Regions.

ANOTHER GEORGIAN
DIES IN JEFF DAVIS

Property Damage in Dev-
astated Sections Esti-
mated at \$10,000,000;
Over 500 Hurt.

The report Thursday of one more
fatality in North Carolina and an-
other in Jeff Davis county, Georgia,
and a third in Columbia, S. C., brought
to 109 the death toll from a series of
tornadoes which devastated sections
of seven southeastern states, injuring
hundreds of persons, rendering scores
homeless and causing property dam-
age estimated at more than \$10,000,000.

As relief measures speedily were
being put into effect under the su-
pervision of the American Red Cross,
numerous local volunteer organiza-
tions and individuals assisted.
An incomplete survey of the wind-
torn regions, parts of which still are
isolated, Thursday night apportioned
the dead as follows:

South Carolina, 76; Georgia, 14;
Alabama, 11; North Carolina, 5;
Virginia, 1; Louisiana, 1; Arkansas,
one.

The first fatality in Virginia, where
the storm struck late Wednesday as it
spread eastward with diminished
force, was recorded Thursday night
when a dayman died from injuries
he received when a barn on his farm
in Amelia county was destroyed. Be-
yond some damage caused near Map-
lewood, no further word of destruc-
tion was received from that state.

Hundreds Are Hurt.

Fully 500 persons are believed to
have been injured, many seriously.
In South Carolina, where the dis-
turbance descended with its most de-
structive force, the death list con-
tinued to mount almost hourly during
the day as searchers bearing aid pen-
etrated further into the stricken area.
Many are expected to die from in-
juries.

Arrangements to care for the in-
jured and homeless in a state-wide
program of relief were begun at Co-
lumbia late Thursday with the or-
ganization of a central committee
headed by Governor McLeod and state
officials, which will cooperate with
the Red Cross and other agen-
cies.

Five Dead in N. C.

The fifth death from the storm in
North Carolina occurred late Thurs-
day when a 4-day old infant succumbed
to injuries it received when the
sawmill at Bynum, near Durham, in
which its parents had taken refuge,
was swept away.

At Robertsonville, N. C., where a
negro woman was killed, more than
two score persons injured and great
damage caused, city officials have
made an appeal for outside aid, while
all of the town's facilities are being
pressed into service to care for the
injured and homeless. More than a
score of dwellings in the town proper
and nearby were wrecked.

The adjutant-general's department
of Georgia dispatched tents and other
equipment to Chippley on receipt of
urgent requests from there telling of
the destruction of many homes.

Nine Killed at Chippley.

Nine persons were killed there and
many injured. Today brought word
of the destruction of barns, gins and
trees at Mount Airy, Ga., and the in-
jury of two persons and severe prop-
erty damage at Cordelia. Scores con-
tinued on Page 2, Column 5.

PROBE OF NAVAL SHORTAGE ASKED

Investigation Will Deter-
mine Whether 5-5-3 Ra-
tio of Conference Is
Properly Maintained.

Washington, May 1.—Representa-
tive Britten, republican, Illinois, an-
nounced today he proposed to in-
troduce a resolution, asking for an in-
vestigation by the house naval com-
mittee of Admiral Count's report of
serious deficiencies in the navy.

Mr. Britten, ranking republican on
the committee, said he also would re-
introduce a bill to make available
\$6,000,000 for the elevation of guns
on the battle fleet. An appropriation
for this work was eliminated from the
navy supply bill, after Great Britain
last year protested to the state de-
partment that the work would not be
in harmony with the arms conference
treaty.

The proposed investigation, Mr.
Britten asserted, would seek to ascer-
tain whether the navy has a 5-5-3
ratio as provided for under the con-
ference, or whether it has deteriorated
until that ratio no longer holds good.

Atlanta Beauty To Sponsor Prince of Wales Polo Team

MISS COOK PAID HIGH HONOR IN SOUTH AFRICA

Edward, Prince of Wales, who is
neck-and-neck with the German mark
in the contest for the world's falling
championship, is in danger of another
tumble.

This time the dark eyes of a regal
Atlanta beauty may supplant a steep-
chase hurdle in his royal highness'
series of international downfalls, and
the heart may succeed the right ear
as an injured member thereof.
Which is to say that Miss Marian
Cook, of 203 Angier avenue, is now
a visitor in Salisbury, South Rhodes-
ia, Africa, and that she has been
chosen sponsor for the polo club on
which Wales wields a wicked club.
The clash between this team and an-
other made up of Salisbury's clubmen
is the event of the season at the South
African city, and Miss Cook's selec-
tion as sponsor is declared to be but
a just tribute to her charm and grace.

After the momentous game will fol-
low a reception and dance, when the
Atlanta beauty and the apple of proud
England's eye will be introduced for-
mally and Wales will be honored with
a dance—or maybe several dances if
he follows the natural inclination of
the man, he of royal blood or not.

Miss Cook, one of the most beau-
tiful and popular of Atlanta's un-
numbered beauties, sailed from New
York on Easter day, and according to
information just received in Atlanta
has landed in Capetown, there to
spend a year in a visit with her uncle,
Dr. Byron-Moore, of Salisbury.

Her uncle is a member of the royal
polo team, of which the Prince of
Wales is captain and his niece was
asked to sponsor the team on which
Wales is to play.

En route to her destination, Miss

MISS MARIAN COOK.

Cook visited London and Madeira and
has written many interesting letters
to Atlanta relatives and friends.

BONUS MEASURE NOW UP TO HOUSE

Senate Adopts Confer-
ence Report—When
Lower Body Acts Bill
Goes to President.

Washington, May 1.—Without a
record vote, the senate late Thursday
adopted the bonus insurance bill
as agreed by the house and senate
conferers. After the house acts,
probably Friday, the measure will go
to the president.

Before the vote was taken, Senators
Underwood, of Alabama, and Reed,
of Missouri, criticized the measure.
The conferees made the provisions
of the measure effective March 1,
next, and struck out a senate amend-
ment which would prevent the charg-
ing of compound interest on loans
made on bonus insurance policies.

A slight flurry arose when the re-
port of the conferees was presented.
An effort by Senator Curtis, of Kan-
sas, republican whip, to have it, ap-
proved by the few senators who were
present aroused objection, and a roll-
call was ordered.

Senator Underwood, of Alabama,
who voted against the bill, declared
that he wanted to express his objec-
tion to the conference report because
he opposed the legislation. Senator
Harrison, of Mississippi, author of
the amendment to prevent compound
interest being charged on loans when
the soldier was in arrears on his
payments, protested against this con-
cession on the part of senate con-
ferers, but said he would vote for the
report.

Senator Reed, of Missouri, who fa-
vored a cash option in the bill, char-
acterized the measure as "a breach
of faith to the soldiers," and said it
would bring little benefit.

"I think the soldiers are being put
off with little less than a subterfuge
and a fraud," he declared.

Dry Representative Drunk in Congress, Celler Tells Butler

Washington, May 1.—Representa-
tive Celler, democrat, New York, in
a letter today congratulating Dr.
Nicholas Murray Butler on his re-
cent prohibition utterances, declared
that "yesterday in the house a 'drier'
member was actually drunk—in the
fullest sense of that term."

The incident, he declared, illustrat-
ed "the utter hypocrisy of prohibi-
tion."

Poison Vial Held Philter Of Love for Wanda's Friend

Chicago, May 1.—"Venus" as they
call her at the Art institute, or Con-
stance McDermott as they remember
her back in Nelson, Minn., used her
entire repertoire of fascination in an
effort to retain the love of Gail Er-
win, fellow model at the Art insti-
tute—and failed. Her "Adonis" snif-
fled politely and went off with other
girls.

And then Constance swallowed a
vial of poison while posing in the
nude at the institute. It touched
the heart of Erwin, who said frank-
ly he "had a way with 'em." When
Constance walked out of the hospital
he was waiting for her. They'll be
married, he said.

swimming when he isn't posing,

BUTLER TO TAKE ADAMS' G. O. P. JOB

Coolidge Campaign Man-
ager Slated To Be Party
Chairman After Conven-
tion.

Washington, May 1.—William M.
Butler, of Massachusetts, will man-
age the 1924 republican national cam-
paign and succeed John T. Adams, of
Iowa, as chairman of the republican
national committee if President Cool-
idge is nominated at the Cleveland
convention as the republican stand-
ard bearer.

President Coolidge decided today
that if he is nominated by the Cleve-
land convention he will recommend
selection of Mr. Butler, his pre-con-
vention campaign manager, to the
new republican national committee
for the chairmanship and in accord-
ance with custom his recommendation
undoubtedly will be adopted.

The president's decision was an-
nounced in the following statement by
him made public at the white house
tonight:

"After conferences with Chairman
Adams, who has indicated to me that
after the organization of the incoming
republican national committee he does
not wish to continue as chairman, I
have decided to present to the new
committee for their consideration for
the chairmanship, the name of Wil-
liam M. Butler, who has managed the
primary campaign."

The assumption by Mr. Butler of
the duties of national chairman is
expected to preclude his participation
in the contest for republican nomi-
nation for United States senator in Mas-
sachusetts and his retirement from
the race is expected to be announced
within the near future.

The decision in favor of Mr. But-
ler was made finally by the president
after Chairman Adams, returning
from the convention arrangements
committee, had informed the presi-
dential chairman at the conclusion of
the Cleveland meeting.

Urged Prompt Decision.

Although the final decision as to
his nomination was not reached un-
til today, Mr. Coolidge had been ap-
prised several weeks ago of Mr.
Adams' desire to retire and accord-
ingly had given considerable thought to
the chairmanship matter. Many of his
advisers had urged him to decide the

HARRISON SEEKS TO FORCE VOTING UPON FORD'S BID

Mississippi Solon Insists
Senate Be Allowed To
Accept or Reject Meas-
ure on Muscle Shoals.

NEW BILL PREPARED
BY MISSOURI LAWYER

Compromise Between Pri-
vate and Government
Ownership Sought—Two
Advocates of Ford Heard.

Washington, May 1.—Further in-
dications of a determination to force
a vote on Henry Ford's bid for Mus-
cle Shoals at this session of congress
was given today by Senator Harrison,
democrat, Mississippi, leader of the
Ford supporters.

During the Muscle Shoals hearing
of the senate agriculture committee,
Senator Harrison urged more speed
in the proceedings, pointing out that
time was limited and at the present
rate it would be difficult to bring
the measure to a vote in the senate
before adjournment. He insisted that
the senate be allowed to accept or re-
ject the measure, which has already
passed the house.

Near the close of today's session
of the senate, Chairman Norris in-
troduced another bill for the operation
of Muscle Shoals. The bill was pre-
pared by James T. Lloyd, Washington
attorney, former representative from
Missouri, who described it as a com-
promise between government and pri-
vate ownership.

Offers Bill as Compromise.
Mr. Lloyd said he offered the bill
as a suggestion for solving the Mus-
cle Shoals problem and that he did not
represent any special interests. The
Lloyd proposal would create the Fed-
eral Chemical corporation with a
capital of \$10,000,000, and with stock
ownership limited to American citi-
zens. It would lease Muscle Shoals
for 50 years, and make additions to
the property from government plans
at the government's expense.

Five directors, three appointed by
the president and two by the secre-
tary of agriculture, would control the
corporation. None of the directors
would be allowed to own stock and the
secretary of treasury would have
supervision over the corporation sim-
ilar to his present control over banks.

Fertilizer and power would be pro-
duced and distributed and the prop-
erty held intact for the manufacture
of explosives in time of war. Dur-
ing the first year, the government
would appropriate \$1,000,000 to pay
operating costs, and after that the op-
erating costs would come from profits
from the sale of fertilizer and power.
Cummings Favors Bid.

At today's hearing, W. J. Cummings,
of Tennessee, appeared as a supporter
of the Ford bid. He told the com-
mittee he served a sentence in Sing Sing
prison on the charge of wrecking the
Carnegie Trust Company of New York,
which was, he said, at the time the
company was in bad condition. He
declared that the man who prosecuted
him, Charles S. Whitman, then dis-
trict attorney and later governor,
had pardoned him unconditionally.

Although he had lost \$3,000,000 of
his own money in the bank's failure,
and left the prison penniless, he had
returned to his home in Tennessee,
recouped his fortune and now headed
the Bon Air Coal and Iron company,
which he described as the largest sin-
gle industry in the state.

In this capacity, he said, he ap-
peared before the committee to urge
the acceptance of the Ford bid as a
unit. He declared the manufacturers

\$25,000 IN TAXES PAID FIRST DAY

Collector Marvin Roane
Estimates That \$1,250-
000 Will Be Received by
City Before May 15.

City tax collections Thursday, the
\$25,000, about \$2,000 in excess of first
day for payment of 1924 taxes,
were \$25,000, about \$2,000 in excess
of first day collections last year, it
was announced by Marvin C. Roane,
city tax collector. He estimated that
more than \$1,250,000 would be re-
ceived before May 15, when books
close for payment of the first third of
1924 taxes.

The city tax assessors issued a
statement Thursday urging all prop-
erty owners to pay up before May 15
in order to avoid the 7 per cent in-
terest penalty and to take advantage
of 1 1/2 per cent discount.

Payment during the first week will
be more convenient than later, it was
pointed out, as long lines of people
always pack the corridors of the city
hall awaiting turn at the windows
during the last few days. Last year
more than \$250,000 was paid on the
last day alone.

Former Governor Of Indiana Given Number at Prison

DEMOCRATIC RACE
IS TOUGH AND GO
FOR ALL STARTERS

One Way To Calculate
Prospective Nominee Is
To Put Names in Hat
and Draw for Choice.

BY RAYMOND CLAPPER.

Washington, May 1.—There are
several methods by which anyone in-
terested in the subject can calculate
who has the best chance to be the
democratic presidential nominee. One,
as accurate as any, is to write the
names of the respective candidates
on small slips of paper, place them
in a hat, shake thoroughly, and have
some disinterested friend draw them
out one by one. The last name drawn
will be as good a bet as any for the
nomination.

The democratic situation never has
been more confused and uncertain
than at this moment; less than two
months before the convention. Charlie
Murphy's death has made the situa-
tion more uncontrollable because it re-
moved the keystone from the Murphy-
Brennan-Taggart combination which
was expected to take charge of mat-
ters in the convention at the proper
moment and break the deadlock.

Managers of the various candidates
are making all manner of extravagant
claims but the fact remains that
everybody has a chance. Some are
strong in one respect and weak in an-
other. Everything considered, no can-
didate has any appreciable advantage.

Here are the chief candidates listed
alphabetically:

Newton D. Baker, Ohio.

Comes from strategic state; pro-
gressive; closely identified with Wil-
son policies; pro-league; lacks power-
ful friends among bosses.

James M. Cox, Ohio.

Has defeat of 1920 against him;
pro-league; comes from doubtful
state; acceptable as compromise
choice to most of bosses; made two
to one showing against McAdoo in
Ohio primaries without conducting
aggressive campaign.

John W. Davis, New York.

Eminent as lawyer; refused to give
up J. P. Morgan as client to advance
political prospects; conservative; well
known among lawyers and business
men; unknown as popular political fig-
ure; would be stronger except for
Wall street connections.

David F. Houston, New York.

Said to have been Woodrow Wil-
son's personal choice; conservative;
head of Bell Telephone Securities
company since retiring as Wilson's
secretary of treasury; little known as
campaigner; regarded as dark horse
possibility.

William G. McAdoo, California.

Regarded as strongest candidate un-
til employment by E. L. Doheny dis-
closed; will go to convention with one
of largest blocks of delegates; has
large campaign organization at work
in many states; progressive; strong
with labor; son-in-law of Woodrow
Wilson but not closely identified with
him.

Freedom Is Asked For Young Mother For Baby's Sake

Judge Will Be Urged To
Put Mrs. Billy Roberts
on Probation.

To prevent separation of a young
mother from her 3-year-old baby girl,
Attorney Swift Tyler will go before
Judge Andy Calhoun today and seek
a probation term instead of the eight
months sentence on the state farm
given Thursday to Mrs. Billy Roberts,
who, in tears, pleaded guilty to pos-
sessing illicit liquor.

Mrs. Roberts, 24, took the blame
before Judge Calhoun for possession
of 52 pint bottles and three gallon
cans of liquor. She said, however,
that the intoxicants belonged to per-
sons who had rented rooms in her
apartment at 170 Rawson street.
Police found the whisky in a raid
March 28.

Attorney Tyler stated he would
seek a change in the sentence due
to the necessity of the mother caring
for her girl baby. He said that if
his client is forced to go to the state
farm at Milledgeville she would be
no one left to care for the baby.

There was a dramatic scene in the
courtroom when the sentence was
pronounced. The young woman, a
former waitress in a downtown cafe,
breaking into tears. She refused to
be taken away, however, to give the names
of the persons who, she said, left the
whisky in her home.

PRISONER NERVOUS
AS TRIP NEARS END

Declares He Will Enter
Upon New Situation
With Courage, Fully
Conscious of Innocence.

From a soft cushioned governor's
chair and elegant wearing apparel to
a cell in a federal penitentiary and a
blue denim uniform—all within a

of iron-gray hair, the practice of shaving the head of new prisoners having been discontinued some time ago. Finger prints were taken and placed on file, he was given a temporary cell assignment, blue denim suits were issued and he was required to take a bath, this being required of all prisoners upon entering.

Thanks Newspaper Men.
To newspaper men who made the long trip from Indianapolis to Atlanta the ex-governor said, "Good bye, boys, good bye and thanks for your company and kindness. Without my friends I would be unable to bear up."

Commenting upon news dispatches from Indianapolis that the new governor and staff would at once begin an investigation into the financial status of his administration, ex-Governor McCray emphatically stated that "there are absolutely no irregularities in the financial accounts of any department of the state of Indiana. An investigation will prove that."

He declined to comment on reports that friends might seek a pardon for him at an early date, and so far as known no effort will be made to that end.

Early Thursday morning the train on which the prisoner was being brought to Atlanta entered the northern section of Georgia and along the route there was abundant evidence of the havoc wrought by storms Tuesday night and Wednesday morning.

He appeared deeply affected and said, "My heart goes out to those who lost their loved ones and their homes."

Gives Out Statement.
Several hours before the train reached Atlanta the ex-governor gave out a statement to newspaper men aboard the train, as follows:

"I am facing the decree of fate with courage and fortitude and sublime confidence in my individual integrity of purpose. Unfortunately, my personal fortune became involved through the agricultural depression of the past four years and from my inability to meet the overhead expenses from the proceeds of the 11,000 acres of my fertile land, which I own. In order to carry on, I was compelled to borrow large amounts, expecting and believing that the vastness of the property with restoration of farm values would enable me to meet in full every obligation made."

"I have never speculated unless the buying of this fertile farm and the breeding of my blooded cattle could be called speculation. My personal habits and domestic relations have been of the most frugal and simple. I have devoted myself assiduously and wholeheartedly to my official duties without regard to the demands of

FUNERAL OF CARR SET FOR SUNDAY

Durham, N. C., May 1.—Funeral services for the late General Julian S. Carr will be held from his home, Somerset Villa, Sunday, at 2 o'clock, with Rev. W. W. Peete, of Trinity Methodist church and pastor of the deceased, Rev. C. T. Adams and Rev. R. H. Hildebrand officiating, it was announced here tonight. Interment will be in Maplewood cemetery and his body will be laid beside that of his wife who preceded him to the grave several years ago.

It was the general's oft-repeated request that when he died he preferred that his friends would not send flowers, as in his opinion the expenditure of large sums of money for flowers at funerals was not right. He expressed a desire that those who desired to pay him tribute use the money they would have expended in flowers in purchasing books for the Durham public library.

My private enterprises. My official acts have never been questioned. The measures I have succeeded in putting forth for the benefit and cooperation of the people of Indiana in the way of improved highways, better schools, better care of the dependents and unfortunates will live long after the present difficulty is forgotten."

The ex-governor resigned the governorship at 10 o'clock Wednesday morning after his conviction Monday afternoon, and less than an hour after resigning had received a sentence of ten years, in addition to a fine of \$10,000. "It was dazed," he said in referring to the swiftness of court action in his case. "No one could have expected to be sent off straight from the court room to the prison without being allowed to tell his family good bye after sentence was passed."

Robert Lambert, 23, another Indiana prisoner who was being brought to Atlanta on the same train with ex-Governor McCray, jumped through a window near Shelbyville, Tenn., and escaped in the darkness, guards reported. Lambert was sentenced for conspiracy in connection with the theft of automobiles in Indiana, it was learned. He had not been captured late Thursday night.

Two Famous Artists Coming To Great Atlanta Exhibit

George Elmer Browne and Jonas Lie, two distinguished figures in American art, are expected as members of the group of interesting visitors to Atlanta at the Grand Central Art Galleries exhibit at the Atlanta Biltmore hotel, May 17-31.

The names of these two as likely visitors was added to an already notable list, in a letter Thursday from Erwin S. Barrie, manager of the galleries, to J. J. Haverty, chairman of the art committee of the Atlanta Chamber of Commerce, which was instrumental, in conjunction with other Atlanta art lovers, in obtaining the \$100,000 exhibit of contemporaneous art for exhibition here.

George Elmer Browne, a native of New England, is famous as the winner of many of the highest awards in art. His paintings exhibited in the Paris Salon have been purchased by the French government, and others of his work are hung in clubs and galleries throughout the United States.

Jonas Lie, born in Norway, is an American citizen, known popularly as the painter of the famous canvas, "The Conquerors," which hangs in the Metropolitan Museum of New York. He is best known among connoisseurs as a landscape painter.

The letter of Mr. Barrie, naming other prospective visitors, follows: Mr. J. J. Haverty, 22 Edgewood Avenue, Atlanta, Georgia.

Dear Mr. Haverty: I have your letter of April 26th, and we have made the corrections as you state, and the cover page of the catalog will be as per the enclosed prospectus. We wish to advise that we have just secured from Mr. Ernest Ison, Mr. Oliver Bennett Grover, Mr. George Elmer Browne, Mr. George Elmer Browne and Mr. Jonas Lie are all coming to Atlanta with us. Mr. Ison was one of the two painters that were elected as members of the National Academy of Design, and he is one of our most distinguished portrait painters.

Mr. Oliver Bennett Grover was an associate of Whistler and Dreyer in Florence and Venice and Munich, and is one of America's finest painters and undoubtedly the best of his generation.

ERWIN S. BARRIE.

Manager Grand Central Art Galleries.

and we have also appreciated the publicity that you have sent us and we feel that we have found in you someone who has just as much interest in the cause of American art as we ourselves. I have written to the various artists who are coming to Atlanta for their photograph, and I imagine several of them will hesitate considerably, yet I will go to get as many as possible for you.

With kindest wishes,
Very truly yours,
GRAND CENTRAL ART GALLERIES,
Erwin S. Barrie, Manager.

TORNADO TAKES MANY LIVES

Continued From First Page.

lined to hospitals in this state were reported well on the road to recovery. The number of dead in Alabama, Louisiana and Arkansas remained unchanged from yesterday.

SOUTH CAROLINA TOTAL DEAD IS 76.

Columbia, S. C., May 1.—W. H. Tiller, of this city, died in a local hospital late tonight from injuries received in yesterday's storm, when he was crushed under a falling building on his farm at Adams Mill, near here. His death brought total fatalities in Richland county to 23 and in the state of 76. Organizing for relief measures a central committee to administer the four-day-old disaster of injured and the thousands of homeless was formed late today at a conference attended by Governor Thomas G. McLeod, state officials and representatives of the American Red Cross.

Surveys instituted in the dozen wind-swept communities today were well on their way tonight to determine needs of the destitute in the centers of distress where estimates placed property losses at well above the million mark. Severely injured in various hospitals are expected to swell the roll of dead.

FIFTH NAME ADDED TO N. C. DEATH ROLL.

Raleigh, N. C., May 1.—The death toll from yesterday's tornado was increased to five in North Carolina tonight when the four-day-old infant of a negro woman had been reported from Martin county, where the tornado disturbances did their greatest damage in the state, and last night Mr. and Mrs. Dave Black and their 16-year-old son, Charles, were killed when the sawmill at Bynum was destroyed.

Women and Children Killed.
Dead and injured and many of those unhurt were picked up by the winds and hurled through the air hundreds of feet. Miles of telephone and telegraph lines were torn down, hundreds of dwellings and other buildings were ripped from their foundations and demolished, trees were uprooted and numbers of live stock were killed; while bridges were washed away and roads flooded in many sections by torrential rains which accompanied the storm.

Women and children made up a large part of the known dead. Entire communities were destroyed in some sections and there was no place in the storm's path which escaped wholly unscathed.

Carolina Suffers Most.
In South Carolina, where the tornadoes were most disastrous, Horrell Hill, 12 miles from Columbia, was wrecked, 17 being killed and numbers of others more or less seriously hurt. Among the dead were four school boys who with 75 other pupils were buried beneath the wreckage of the schoolhouse when it was demolished.

Eight persons, five of them children, were killed and more than a score injured when they were trapped in their crashing homes. Anderson, nearly 50 residences were razed in the Riverside Hill village, near there, while numbers of dwellings in the city proper were demolished.

Ficklen, Ga., Wiped Out.
At Florence, 15 persons met death, 20 were injured and 30 homes were destroyed by the storm which entered the county from the west and cut a swath 300 yards wide to the Atlantic coast, 30 miles away. An undetermined number of negroes are reported missing. Other fatalities included 12 in Sumter county, six in Lee county, six in Lexington county, one in Darlington county and one in Columbia. Many of the dead and injured are negroes.

The village of Ficklen, Ga., near Augusta, virtually was wiped off the map, when the storm struck there, killing the postmaster and injuring many and destroying nearly every building.

Georgia Towns Hit.
Many other points in Georgia were struck by the storm, including Lawrenceville, where one was killed and several persons were injured. Available reports chronicle no further loss of life.

In Alabama, a white child and four negroes were killed at Union Springs; four negroes were killed at Opelika; 10 negroes were killed near Clon; a white woman was killed near Doanoke and many suffered injuries in three other localities. Heavy rains flooded streams in various parts of the state to overflowing, washing away bridges and damaging highways.

As the storm spread with undiminished fury into North Carolina, a white man, his wife and son were killed near Bynum and eight persons injured. Two children were slightly hurt at Charlotte. At Robertsonville, near Rocky Mount, nearly two score were hurt, several buildings, including two churches, were destroyed, while word of possible other casualties in localities cut off by the storm was expected momentarily by relief workers.

Many Escape Narrowly.
Damage in Virginia was reported early today to have been confined to comparatively slight property damage and minor injuries to four persons near Maplewood.

Frank antics of the storm, together with many miraculous escapes from possible death, were reported from virtually every part of the hurricane-swept area. At Anderson, S. C., the wind picked up a street car, and laid it on its side in a yard, 50 feet away, probably fatally injuring one of its occupants.

A five-months-old infant and the mattress on which it lay was whirled through the window of its home in Florence and deposited in an open field, 100 yards away. The child was unhurt.

MAON ADMINISTRATORS RELIEF TO VICTIMS.

Macon, Ga., May 1.—Liberal contributions of money and clothing have been made to storm victims, it was announced by Red Cross representatives here tonight.

There have been no further deaths from the storm in this county during today, the death toll remaining at three.

There are still 10 injured persons in a local hospital, but all are expected to recover.

The dead are Mrs. L. E. Holt and baby and Charles Morris, negro farm hand. Funeral services for Mrs. Nellie B. Holt and her six-month-old baby, wife of L. E. Holt, who were killed in the storm, will be held Friday. The body is awaiting the arrival of a relative in New York, who is expected here tomorrow. The service will be held at the East Macon Baptist church. Interment will be in Evergreen cemetery.

The local chapter of the Red Cross and the organized service society arranged yesterday for the homeless to be cared for during the night. Temporary homes have been provided for all. The great need at the present time is clothing for children ranging from two to 16 years of age. Where the home of a family was completely swept away, all clothing of the entire family was also swept away. Red Cross headquarters has

been opened at the chamber of commerce to receive all donations.

GINS, ORCHARDS DESTROYED NEAR MOUNT AIRY.

Mount Airy, Ga., May 1.—(Special.)—Several barns and gins in the vicinity of this place were destroyed Wednesday morning by a cyclone. Large forest trees were uprooted and apple orchards of the vicinity were severely damaged. Communication lines were cut. No persons were reported injured.

Cornelia, Ga., May 1.—(Special.) Two persons were injured, three houses were demolished, and severe damage was done to forests by a cyclone 100 yards wide and 5 miles long, which passed within a mile of this place Wednesday morning. The injured are Steve and Harlan Duncan.

The houses of T. B. Woodall and M. Cantrell were demolished, and the home of Mrs. F. B. Terrell was damaged. The store of Y. J. Ervin was moved 15 feet off its foundation, but otherwise was undamaged. Many valuable apple orchards and forests of the vicinity were uprooted by the high wind.

Hazlehurst, Ga., May 1.—Frank Girtman was killed and seven other persons injured in the storm of yesterday, which did considerable damage in Jeff Davis county.

ALABAMA PREPARES TO BURY 11 DEAD.

Birmingham, Ala., May 1.—Several sections of Alabama were busy today burying their dead and caring for the injured and homeless following the devastating tornadoes of Wednesday. Eleven are known dead and the property estimated at \$500,000. More than a score were named for life.

A striking first at Greenville, the storm moved eastward and northward hitting Opelika, Union Springs and Chambers county before passing into Georgia. At Greenville several business houses blew down and the home of G. E. Poole was demolished. Mrs. Poole and three sons were injured, the woman seriously.

In Opelika the tornado struck a negro section where cabin after cabin was moved down. Three were killed and 15 injured. The chamber of commerce was busy today extending aid to the stricken. In Bullock county near Union Springs another negro settlement was swept, four deaths resulting. At Clip two more negroes were victims.

The tornado was at its worst in Chambers county just before passing into Georgia. Dwellings were unroofed, barns destroyed, livestock killed and timber twisted to splinters. In this section the two-story residence of T. B. Slagle was razed. His sister, Miss Della Slagle, was instantly killed. No hope is held out for Slagle's son, Tom, who was blown 200 yards by the force of the wind. The only other white person killed was the baby of Tom Works, at Opelika.

Plant Avowed 'Undying Regard' For Fair Helene

New York, May 1.—Letters of Philip Morgan Plant, young millionaire, in which he avowed an "undying regard" for Miss Helene Jesmer, former Greenwich Village beauty, were read today at the trial of Miss Jesmer's \$500,000 damage suit against Plant for injuries received in an automobile accident.

Miss Jesmer asserted that her face was scarred when Plant's car, returning from a drinking party at New Haven, crashed into a tree. The letters were written while Plant was touring Europe with his mother in 1921.

"You don't know how lonely I am without you," he wrote, and in another letter, after describing the "blue skies of Nice" and the "sapphire Mediterranean," he said: "I wish I was at the Palais Royal with you instead of here."

Rachmaninoff, Stokowski and the Philadelphia Orchestra!

Genius, art and craftsmanship have again combined to produce Victor Records which must rank as a noteworthy achievement in the history of music.

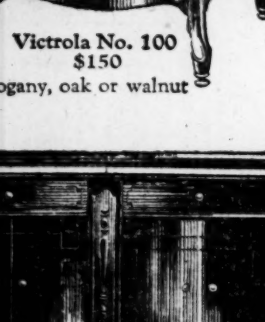

Rachmaninoff at the piano plays his own composition accompanied by the Philadelphia Orchestra under the direction of Stokowski, and Victor recording has made imperishable this masterpiece of living genius. The piano, at Rachmaninoff's touch, sings as it has never sung through any reproducing instrument—in the rare moments which are unaccompanied or against the full flood of Stokowski's faultless orchestra. We offer these records to the public with a satisfaction which will be shared by every lover of great music and as evidence of what the Victrola alone can give you.

Sacred Selections

[Yield Not to Temptation]	Edgar Kiefer	19279	.75
[Bringing in the Sheaves]	Trinity Mixed Quartet		
Gospel hymns, one for a single voice with orchestra, the other for a quartet of mixed voices. Records with all the swing and vigor of the "old-time religion" in every note.			

Vocal Selections

(1) Long Ago, Sweetheart Mine (2) A Maid	Olive Kline	45393	1.00
Sings Light (MacDowell)			
(1) The Swan Bent Low (2) The Sea	Royal Dammun		
(MacDowell)			
Four songs of the lamented Edward MacDowell, issued primarily for educational purposes, but so beautiful in themselves that every one will enjoy these records.			
What'll I Do?	Marcia Freer-Henry Burr	19301	.75
She's Everybody's Sweetheart	Henry Burr		
"What'll I Do?" is for contralto and tenor—a somewhat unusual combination. "She's Everybody's Sweetheart" is a ballad, half-pathetic, half-humorous. Together they make a splendid record of tuneful popular music.			

Dance Records

[Hula Hula Dream Girl—Waltz]	Hilo Hawaiian	19302	.75
[Sad Hawaiian Sea—Waltz]	Orchestra		
Two waltzes in "Hawaiian" style, with an orchestra featuring steel Hawaiian guitars, against a background of piano, flute and violins. The familiar waltz of Hawaiian string music is continually in evidence in these two records.			
[Memory Lane—Waltz with vocal refrain]	Waring's		
[Down Home Blues—Fox Trot]	Pennsylvanians	19303	.75
Waring's Pennsylvanians in their public appearances are scoring a tremendous success—and so will these new records by this organization.			

[From One Till Two—Fox Trot with vocal refrain]	Kaufman's Original Pennsylvania Serenaders	19304	.75
[In a Charleston Cabin (Song Melancholy)—Fox Trot]	Kaufman's Original Pennsylvania Serenaders		
You'll be glad to hear these musicians again. They play two fox trots which are all fire and ginger, with some startling piano-work and new wind combinations.			

BAPTIST SEMINARY IS RECOMMENDED

Danville, Va., May 1.—A new Baptist seminary to cost \$2,500,000, will be recommended to the southern Baptist convention when it meets this month at Atlanta, Dr. J. M. Shelburne, of this city, chairman of the special committee appointed to make recommendations on the subject, announced today.

The five cities which will be mentioned in the report as seeking the seminary are Richmond, Va.; Birmingham, Ala.; Macon, Ga.; Jefferson City, Tenn.; and Greenville, S. C. It was stated.

The new seminary if established would be added as a unit to one of the Baptist universities already located at these places, Dr. Shelburne said.

20 TEAMS NAMED IN NEGRO Y. M. C. A. MEMBERSHIP DRIVE

The membership campaign committee of the Butler St. Branch of the Y. M. C. A. held an enthusiastic meeting Thursday night when the captains of twenty teams were selected and names of teams were given.

The campaign, which begins next Tuesday, will be a novel one in that the teams will be named after leading makes of automobiles, and each member signed will count as five miles in a race of 2,500 miles.

The workers were inspired to go into this campaign with a rush after the inspiring address of D. D. Jones, who was for ten years executive secretary of the Y. M. C. A. in St. Louis. Chas. Green was elected chairman of the campaign and S. S. Abram secretary. The workers will meet again for final instructions at 5 o'clock Sunday afternoon.

in the case of Ernest Gravit and the two Martins also were found not guilty on the third count.

Wednesday Judge Howard directed a verdict of not guilty as to all five men in another auto theft case on the ground of a vital variance between the charge in the indictment and the proof. Fred Elliott, Atlanta, whose car was stolen in this case, testified the car was a roadster, while the indictment charged it was a touring car. Judge Howard told counsel for the state there was no use going any further as the state was traveling on a bad indictment, and directed the jury to return a verdict of not guilty.

13 Convicts Are Stolen.

The accused men have been indicted in connection with thirteen automobiles alleged to have been stolen in Atlanta. It is said that the cars have been used in the transportation of illicit liquor from north Georgia mountain sections.

Attorney H. A. Allen, who represented all the accused men, will move for a new trial. He stated immediately after the ten-year sentences were passed that the state had failed to legally convict for possessing the car knowing the licensee had been changed, "because for the jury to be able to find the men knew such number had been changed there must be evidence touching their state of mind at the time." The defense offered no evidence and the defendants did not take the stand.

Snuggle Pup Club of Smyrna School First Grade

Snuggle Pup Club Formed by First Grade Children

70 Smyrna Snuggle Hounds Hold Sessions Under Eyes of Snuggle Himself.

Smyrna, Ga., May 1.—(Special.)—Snuggle, Himself, the original Snuggle Pup of the family being given away at the rate of ten pups daily by The Constitution, has taken possession of the first grade of the Smyrna school. For two weeks Snuggle has been reigning over classes of the first graders from the desk of Miss Marion Rhyne, the teacher, and, according to Miss Rhyne, Snuggle has brought about a new feeling of comradeship between the children. Snuggle did this because the first graders organized a club they named after him.

Every school day morning seventy little Snuggle hounds greet Snuggle himself as they file in the room to study their lessons and at the same time sit in on the session of the Snuggle Pup club.

Officers? One never saw a more business-like little president than Eleanor Ivey. The same dignity attaches to the work of Elvin Crissey, vice president, and Elzie Nations, who does duty as secretary.

The emblem of the Snuggle Pup club of the first graders is a picture of Snuggle Himself on a neat little pin. The Constitution has sent a quota of Snuggle Pups to these Snuggle hounds and every member of the class is eagerly working for Snuggle Pups by working out the daily folios of the Snuggle Pups published by The Constitution.

Naturalization papers were granted to 12,285 aliens in the United States during February.

Scarcely more than 50 per cent of the flaxseed required for America is raised on her own soil.

BASIS OF CHARGES ON WHEELER FLIMSY

Continued From First Page.

peared as counsel in land permit matters.

Rhea said he could not state that Campbell had said that Senator Wheeler was employed to look after the permits, but he testified that Campbell had stated that the McGowan permit would be fixed up when Senator Wheeler got to Washington, and that Senator Wheeler had said that it would be "taken care of."

Campbell was quoted by the witness as having said that if the permit were fixed up, the owners would give Wheeler quite a slice out of it. Rhea's recollection was that Wheeler had made no statement respecting this suggestion.

Employed by Lockwood.

Coan, who was the third witness of the day, was on the stand only a comparatively short time. He testified he had been employed last March 7 by Secretary Lockwood to write for the National Republican. He went to Montana, he said, right after his employment.

Upon arrival in Montana, Coan had H. C. Glosser, formerly an employee of Campbell, make an affidavit. Later he went to Denver, where Rhea made an affidavit for him. "What did you do with the affidavits after you got them?" asked Senator Borah.

"I mailed them to Mr. Lockwood and he turned them over to the department of justice," Coan replied. "Do you know of your own knowledge anything with reference to the employment of Mr. Wheeler by Mr. Campbell?" asked Chairman Borah.

"I could not be expected to have knowledge of it," Coan replied. "I was not there at the time."

Replying to an inquiry as to why he was sent to Montana, Coan said the purpose was for him to investigate "some of the stories" that were circulated about Senator Wheeler.

Attacking Administration.

"He was attacking the administration and everybody," Coan stated, "and nobody seemed willing to reply to him, so they thought it was time for some one to find out what kind of a man he was."

Senator Swanson, democrat, Virginia, asked about the relationship between the republican national committee and the National Republican, but Coan said he did not know. He testified that Lockwood is the editor of the paper, as well as secretary of the national committee.

Coan gave the committee the names

of four witnesses whom he wanted same list he had given to Senator Borah some days ago. They are Glosser, Rhea and D. Bingham, all of whom have testified before the committee, and J. B. Watson. Senator Borah said the return on the subpoena for Watson stated he is in Canada.

GIRL SLIGHTLY HURT IN AUTOMOBILE CRASH

Miss Lena Buchanan, 19, of East Point, suffered an injured back and minor cuts and bruises in an automobile accident in East Point Thursday night. She was taken to Grady hospital at 9 o'clock, but no particulars of the accident could be learned, and no report was made at police station. She was taken to the hospital by a passing motorist.

BELGIAN CHIEFS TO SEE M'DONALD

London, May 1.—Premier Theunis and Foreign Minister Hymans, of Belgium, arrived in London tonight on the second of the visits they are paying to France, England and Italy to ascertain the views of the allied governments on methods for making the Daves plan effective.

Fresh from Paris, the Belgian emissaries who are assuming their old role as go-between in the allied negotiations, will be able to speak Premier Poincare's mind as well as their own when they meet Prime Minister MacDonald at Chequers court tomorrow. In return they will hear the British thesis, which, while not new, indicates an outcropping of the old Anglo-French difficulties, forgotten since the British resigned themselves to the occupation of the Ruhr.

Propose New Treaty.

Mr. MacDonald, it is understood, will propose to the allies when the proper time comes that a preparation of the experts' proposals be taken out of the hands of the reparations commission as far as is possible and put into effect by a new allied agreement with the Germans which could be obtained by direct negotiations.

According to the British view, the negotiations should take the form of a new international conference. It is believed the agreement, unhampered by bitter feelings, would be handled as one between a debtor and a creditor instead of between the victor and the vanquished.

Visit Italy Next.

That such a plan is likely to be acceptable to Premier Poincare at present is not suggested by the British observers who declare they know what is in Mr. MacDonald's mind. It is known that the French favor turning the experts' plan in its entirety over to the reparations commission to carry out as it goes fit.

When Premier Theunis and M. Hymans visit Paris next week, they will be able to tell Premier Poincare exactly what is in the British minds. Later in the month when they continue their work as allied go-betweens by conferring with Premier Mussolini in Milan, the Italians likewise will have the British view placed before them so that they can support or reject it when the time comes for them to do so.

Banking Institute Officers Are Entertained at Dinner

The Atlanta Clearing House association and the local chapter of the American Institute of Banking entertained national officers of the institute Thursday night at a dinner and dance at the Capital City club. The guests, who are stopping over in Atlanta on their return from August, where they attended the spring council meeting of the American Bankers' association earlier in the week, included Clarence R. Cheney, Minneapolis, national president; Edwin V. Krick, San Francisco, vice president; Richard W. Hill, New York, secretary; Dole Graham, St. Louis, chairman national publicity committee; and Henry J. Mergler, Cincinnati, chairman national public affairs committee.

Robert E. Harvey, vice president of the Atlanta Trust company, was toastmaster. Welcome in behalf of the banking fraternity of the city was extended by Robert Strickland, Jr., vice president of the Fourth National bank. President Cheney responding, visitors were Haynes McFadden, editor Southern Banker; Fonville McWhorter, assistant cashier Citizens and Southern bank; W. H. Toole, fiscal agent Federal Reserve bank; and Thomas K. Glenn, president Atlanta and Lowry National bank.

Following the dinner, at which the hopes of the Atlanta contingent of the national convention of the institute in 1925 will be held here were impressed upon the visiting officers of the organization, dancing was enjoyed until 12 o'clock.

Friday morning the party will be taken on an automobile ride to Stone Mountain, where they will view the progress that has been made in carving the Confederate memorial. James A. Rankin, of the Atlanta and Lowry National bank, who is president of the local chapter of the institute, heads the committee which is entertaining the visitors. They will be in the city until Friday afternoon.

Carey BUILT-UP ROOFS

Built-up to meet your needs

FIT the durability of your roof to the prospective life of your building. Roof once, roof right, once for all. Each additional layer in a Carey Built-up Roof means many added years of service. Determine weight and thickness of your Carey Built-up Roof by the years of service required.

First apply a sheet of Carey asphalt-saturated felt roofing, then a coat of Manco asphalt, then another sheet of roofing, and repeat the process until the requisite roof durability is built-up.

Carey Built-up Roofs offer exceptional resistance to destructive action of gases and acids in smoke and fumes, resist intense heat and weather action, and require no gravel or slag protective surfacing.

Ask us for the Carey Built-up Roof specification for your building. No obligation.

LOCAL DELEGATES TO CHAMBER MEET LEAVE ON MONDAY

An Atlanta Chamber of Commerce delegation to attend the annual meeting of the United States Chamber of Commerce, in Cleveland, May 6-8, consisting of Mr. and Mrs. Alford Newell, Mr. and Mrs. F. A. Wilson-Lawson, Mayor Walter A. Sims, Robert W. Woodruff, Secretary B. S. Barker, and President Paul H. Norcross, will leave Atlanta Monday, it was announced Thursday.

More than 2,000 business men, representing commercial and industrial organizations from every part of the country, will attend, and wide range of important problems relating to manufacture, distribution, transportation, foreign trade, finance, insurance, conservation of natural resources and civic development will be discussed.

Among the prominent speakers will be Sir Esme Howard, British ambassador to the United States; Herbert Hoover, secretary of commerce; Curtis D. Wilbur, secretary of the navy; General Herbert M. Lord, director of the budget; Julius H. Barnes, president of the national chamber, and General J. J. Carty, chief engineer of the American Telephone and Telegraph company.

General discussion of business in the United States, in connection with immigration, will be dealt with extensively, it is stated.

Auto Collections To Date \$301,000 Over 1923 Figure

Up to the close of business on April 30, the automobile department in the office of the secretary of state had collected \$2,117,136.33 in automobile tag licenses for the year 1924. This sum is \$301,000.15 more than was collected in the same period during 1923, and is close to the total collection for the entire twelve months of last year, which was \$2,156,406.08.

It is probable that total collections for this year will run above \$2,500,000, as it is estimated probably 15 per cent of the total number of motor vehicles are delinquent in purchasing tags this year.

For the first time, delinquent car owners will be subject this year to collection of their automobile licenses by the state revenue department and a penalty of 20 per cent additional license is charged.

This department was created by the legislature last year for the purpose of collecting all delinquent special taxes and began operations on January 1 last. Under the law, delinquent automobile tag payers become liable to the more expensive collection under this department May 1.

Total collections this year, by months, to date follow:

January	\$220,980.55
February	\$175,380.26
March	\$239,672.72
April	\$251,000.80
Total	\$2,117,136.33

Collection for the same months in 1923 follow:

January	\$189,690.82
February	\$163,675.50
March	\$219,705.34
April	\$247,935.31
Total	\$1,816,135.14

Shrine Ceremonial To Be Held May 19 At City Auditorium

Unable to obtain an open date at the auditorium to hold a ceremonial during the month of May, Potentate Charles A. Bowen appealed to Atlanta General C. G. Harbo, and through his courtesy in yielding a date allotted to the state military organizations, the Shriners will be able to meet for the ceremonial session next month and start a large class across the hot sands before the meeting of the imperial council at Kansas City in June.

The date of the ceremonial will be Monday, May 19, and the last day for applications will be Tuesday, May 13. As this does not allow much time to organize the big class, Recreational Argard urges all nobles to get busy and secure applications of eligible Masons and file them with him, with the full fee of \$1.00, on or before May 13. The business meeting to elect candidates will be held at Shrine headquarters at 1 p. m., Saturday, May 17. In all probability, this will be the last ceremonial session before next fall. Those who are ambitious to wear the red fez of the Shiner, should not overlook the opportunity. The imperial council session will be held the first week in June, and all who cross the hot sands in May will be eligible to make the trip to Mecca and meet Shriners from all parts of the United States and Canada.

NORTH AVE. CHURCH TO OFFER SPECIAL MUSICAL PROGRAM

In recognition of national music week the choir of North Avenue Presbyterian church has prepared a special musical program to be given at 8 o'clock Sunday night, at which the members will be assisted by Alex. Keese, one of the finest violinists of Atlanta, and by Mrs. E. E. Eagan, well-known pianist.

The program consists of some of the best compositions in church literature, and is particularly attractive. Dr. Richard Orme Flinn's sermon will be appropriate to the occasion. Following is the program, to which the public is invited:

Organ—"Evening Bells and Cradle Song"
"The Day is Gently Sinking to a Close"
H. Brooks Day
Violin—Sole dedication on the First Prelude of J. S. Bach—conductor, Mr. Keese
Anthem with Violin and Piano Obligato—"On Wings of Living Light"—Bartlett
Mrs. Keese and Choir
Anthem with Violin and Piano Obligato—"Lamb of God"
Miss Battle and Choir
Organ Postlude—"Sole," D. minor, Rogers
Choir: Miss Margaret Battle, soprano; Mrs. Harold Keese, contralto; Fred J. Keese, tenor; Ed A. Verner, baritone; Joseph Eagan, organist and director, assisted by Alex. Keese, violinist, and Mrs. E. E. Eagan, pianist.

SUICIDE VERDICT FOUND AT INQUEST OVER W. B. KOOP

W. B. Koop, branch office manager for the United States Rubber company, came to his death Wednesday from a self-inflicted bullet wound through the brain, according to the verdict of the coroner's jury at the inquest held over the body Thursday morning in the chapel of T. C. Bazemore & Co.

Koop had been in ill health for some time, his wife stated, and he is believed to have been despondent on this account. He had often spoken of "resting in West View cemetery before long," it is said.

He was found upon the bed in his room by his wife when she forced open a locked door upon hearing the noise of a pistol shot. She had taken the weapon away from him the night before because he had appeared very despondent and she feared he would harm himself.

In addition to three step-children he is survived by a sister in Chicago. Funeral arrangements have not yet been completed.

ENTZMINGER REVIVAL DRAWING BIG CROWDS

The Entzminger revival is on in full swing at the Baptist tabernacle where services will continue throughout the week, concluding Sunday, May 11. No day services are being held on Sunday. The night meetings begin at 7 o'clock.

A large chorus choir is under the direction of B. L. Spooner and congregational singing is being made an important feature. Twenty-two persons have been united with the tabernacle since Sunday.

A recent census shows a list of 600 unaffiliated Baptists who have recently moved to the city and left their church memberships in the towns and cities from which they came. These are being urged to transfer their membership. 1,384 persons who have never made a public profession of faith or been identified with a church are being visited by the personal workers.

Dr. Entzminger's subject Thursday night was "Will all who are finally lost be punished alike, or will some be punished greater than others." The subject tonight will be "Atlanta's Greatest Sin."

ZONING CHANGES ARE AUTHORIZED

Action on petition for change in zoning of the R. O. Campbell Coal company property between Boulevard park and Piedmont park was deferred until May 15 by the ordinance committee. In session Thursday afternoon, notice will be given to all persons interested in order that a full public hearing may be held before the committee acts. Residents have asked that the territory be restricted to residence use to prevent the coal company from establishing a coal yard there.

The Armstrong ordinance to permit passenger trains to park 10 minutes instead of three minutes at Pryor street and Central avenue crossings was approved by the committee. That time is necessary to test air brakes and couplings, it was stated.

Zoning changes authorized were: Simpson from Chestnut to Ashby into business instead of residence.

Bedford place from Forrest to Angier into white instead of undetermined race district.

East side of Hemphill from Sixth to Clayton into business instead of residence.

The committee refused petitions to change zoning restrictions on the residence block bounded by Wilmer, Dallas, Edith and Rankin streets, and on the apartment house block on Highland from Colquit to the Cleburne avenue business section.

MRS. CHAMBERS CLOSING LECTURE SERIES SATURDAY

Mrs. Gertrude Steele Chambers, psycho-analyst, will close her series of free lectures at the Central Congregational church, 9 West Ellis street, with discussions of "The Greatest Thing in the World" at 8 o'clock tonight and "Million Dollar Mentalities" at 8 o'clock Saturday night.

The lectures, which began last Thursday, have attracted crowds that taxed the capacity of the church while Mrs. Chambers has explained the fundamentals of psycho-analysis and methods of attaining 100 per cent mental efficiency.

The subconscious mind, which controls most of the activities of life, was explained in the lecture Thursday night. All experiences of the past, even to the smallest incident, remain there subject to recall to consciousness, the lecturer explained. Habits have their seat in the subconscious mind and are difficult to break because it acts without authority of will. Habits are followed without definite, active effort. The individual must, through practice, learn to exert constant restraint on the subconscious mind to break habits, she explained.

Kalanias, a Philippine wood, is said to be very much like the Spanish cedar, which has always been considered best for the manufacture of cigar boxes.

Clean-Up Contest Closes Saturday; Prizes Offered

Atlanta school children have only two more days to complete the clean-up work for which prizes are to be awarded to the schools and class rooms showing the greatest activity it was announced Thursday by Fred J. Coolidge, Jr., secretary of the general clean-up, paint-up, keep-up campaign committee.

Effectiveness of the campaign among housekeepers of Atlanta to rid their premises of accumulated trash and rubbish was indicated in the increased volume of appeals for special service sent Thursday to the sanitary department headquarters in city hall. A special garbage truck is being kept busy carrying rubbish from backyards to city trash dumps and the city incinerator.

Chief John Jentzen, head of the department, stated that the special truck would be kept in service as long as sufficient requests are received to keep it busy.

Although many of the 60 cooperating civic organizations had completed the particular tasks assigned to them at the beginning of the intensive clean-up drive two weeks ago, no slackening in the work had been reported at clean-up headquarters Thursday. Each organization which reported finished was assigned to a general committee meeting Wednesday to assist other organizations in completing their tasks by the end of this week.

STATE FURNISHES TENTS TO SHELTER VICTIMS OF STORM

Reporting that many homes had been demolished in the tornado of Tuesday night and Wednesday, the town of Chipley, Ga., on Thursday wired Governor Clifford Walker asking if the state military department could not furnish tents as temporary habitations for the homeless families. Governor Walker immediately turned the telegram over to Adjutant General Charles H. Cox, and in less than an hour after its receipt, 18 large tents, six more than the number asked, were on the way to act as emergency shelters for the storm victims.

PARENT-TEACHERS ELECT OFFICIALS

BY BESSIE STAFFORD.
Editor Woman's Department
The Constitution.

Savannah, Ga., May 1.—(Special.) Mrs. Fred Wessels, of Savannah, was elected president of the Georgia Parent-Teacher association at the close of the Thursday morning session of the eleventh convention. She succeeds Mrs. Bruce Carr Jones, of Macon, who declined the nomination.

Sessions of the convention ended at 11:30, where delegates were the guests of the Chatham county executive board of the Parent-Teacher associations and of the board of Chatham county commissioners at a shore dinner. Delegates were taken to a hotel in automobiles.

After dinner the meeting was held in the dining room of the Hotel Tye, which was decorated.

Other officers elected were Miss Kate Dozier, of Gainesville, vice president; Mrs. P. H. Jeter, of Decatur, recording secretary; Mrs. Clifford Swift, of Columbus, corresponding secretary; Mrs. Albert Ehrlich, of Savannah, treasurer; Mrs. Guy Wells, of Eastman, auditor; Mrs. Kinlock Dunlap, of Macon, historian; Mrs. Preston Brooks, of Athens, parliamentarian.

Nominating Committee. Mrs. Reynolds Flournoy, chairman of the nominating committee, read the slate, which was received with unanimous approval. Serving with the chairman were Mrs. Arthur Tufis, of Atlanta; Mrs. Walter P. Warren, of Athens; Mrs. Thomas J. Cater, and Mrs. Lawrence Kelly, of Savannah.

Mrs. Wessels has held the office years and has been active in the disbursement of her duties. She has also been identified with other state organizations.

Mrs. Jones, retiring president, is well versed in parliamentary law, and during her administration the association has grown and broadened in every department.

Vice Presidents Named. The following district vice presidents were elected:

First, Mrs. O. L. Gresham, of Waynesboro; second, Mrs. I. J. Hoffmeyer, of Albany; third, Mrs. Edward Dorniny, of Fitzgerald; fourth, Mrs. Reynolds Flournoy, of Columbus; fifth, Mrs. Z. V. Peterson, of Atlanta; sixth, Mrs. T. A. D. Weaver, of Thomaston; seventh, Mrs. Paul Aiken, of Cartersville; eighth, Mrs. Boyce Ficklen, Jr., of Washington; ninth, Mrs. W. M. Johnson, of Gainesville; tenth, Mrs. Hugh Paschal, of Marietta; eleventh, Mrs. W. D. Didell, of Woodbine; twelfth, Mrs. John W. Poe, of Vidalia.

Mrs. Wessels, on taking the office, asked that the convention elect Mrs. Jones as honorary president for the next term with full power on the board. She was elected.

Atlanta Hospital Praised. The plan of the Wesley Memorial hospital, at Emory university, Atlanta, in making every baby born in that institution an alumnus of the hospital, was praised by Mrs. Clifford Walker, of Atlanta, national chairman of the parent-teacher association. She stated that at regular intervals these babies are carried to Wesley Memorial hospital, where they have the advantage of being placed under the care of some of the physicians. They are measured and physically examined and the findings are placed on record, and the records are attached to an individual chart.

Mothers are given the necessary advice and corrective treatment pertaining to the child. The aim of the hospital in establishing a baby so-

ciety is to keep in touch with their babies throughout the pre-school age, and to render to the parents the help and assistance that is necessary to help their children grow up healthy, and happy.

Wesley Baby Club. Miss Bell MacIntosh, superintendent of babies' ward at Wesley Memorial hospital, instituted this work

MRS. FRED WESSELS.

and it met with immediate and remarkable success. Mrs. Walker urged every association to take an interest in this movement and broadcast this plan so that every hospital in the state will adopt it. The result will be prevention against disease in the pre-school age, she said.

"The physical handicap of a pre-school child increases the cost of the school to the whole community," Mrs. Walker said. "The pupil who comes to school undernourished, with faulty vision, or hearing, with defective teeth or with mental development unequal to the work of the first grade, brings a bill of expense to the taxpayers, which would never be incurred had the parents been educated in the scientific principles underlying the care and feeding of children between one and six years of age."

Officers Seize PAIR OF AUTOS, BOOZE CARGOES

Absence of a tail light and several "leaky faucets" early Thursday led to the seizure of two automobiles and their alcoholic contents.

Officers Carrol and Busby, investigating a machine parked on Bell street, saw the required tail light, discovered 40 gallons of corn whiskey packed in the tonneau of the machine. The other car was taken by County Officers Dickerson and Vinson when parked in Spring street near Baltimore place. The machine contained three 15-gallon tanks, each with a faucet at the bottom. The faucets were not tightly closed, and the resultant puddles of whiskey on the pavement caught the officers' attention.

Two Hikers Reach Atlanta Pushing 200-Pound Drum

Pushing drum on 4,000-mile trip

Pushing a 200-pound drum across a continent is the unique attempt of two hikers who arrived in Atlanta Thursday after having covered 296 miles of the 4,000-mile stretch from Savannah to Los Angeles, the two points of the route.

The two men, Alfred Merchant, of New York, and Carl Ditzel, of Chicago, on arriving in the city, proceeded to police station, where they were welcomed by Acting Chief of Police Jett, who gave them a letter to the effect that they had arrived here on schedule.

Later on they called on Governor

Walker, who gave them a letter certifying that they had arrived here on time.

The idea of hiking to California was originated by Merchant, who is a world war veteran, having served in many important engagements with the Canadian army overseas. He was gassed and wounded seven times. Ditzel is a hiker of note, having covered more than 11,000 miles during the past three years.

The men make their expenses by selling pictures showing them pushing the huge steel drum through the streets. They expect to leave Atlanta Monday morning and are scheduled to complete the trip in eleven months.

Thousands Visit New Home Of Atlanta and Lowry Bank

460 PRISONERS ESCAPE IN YEAR

Four hundred and sixty prisoners, or about one out of every seven inmates, made their escape from Georgia prisons during 1923, according to the annual report of the state prison commission.

The report made public Thursday shows that the population in the state convict establishments during 1923 was 3,165, compared to 3,654 during 1922.

On the first of January, 1923, the number of prisoners was 3,654 and during the year there were 808 commitments, 214 recaptures and 24 paroled prisoners returned, making a total of 4,760 handled. Of this total, 256 have been discharged, 460 have escaped, 181 have been paroled, 33 have died, four were returned for new trials, 71 were pardoned, one was delivered to a sheriff, and 587 were released on parole.

Children in Prison. Of the prisoners held on January 1, this year, there was one 11-year-old boy, two were 12 years old, five were 13 years old, 13 were 14 years old and 13 were 15 years old. One was 79 years old and nine were 70 or more. Practically half were in their twenties and 198 gave their age as 24.

Murder is responsible for more convictions than any other single cause, there being 918 imprisoned for that offense. Burglary comes second with 661. Manslaughter commitments total 363; attempts to murder, 245; accessories to murder, 16; larceny, 363; robbery, 153; forgery, 80; shooting at another, 18; criminal assault, 107; attempted criminal assault, 52; bigamy, 30; whisky-making, 67.

There were 1,709 married persons in prison and 1,456 are single. Eighteen per cent are illiterate and 14 per cent can read but not write. One man is serving his 13th term, while 173 are serving third terms, 186 second terms and 2,447 first terms.

Fulton County Leads. Fulton county sent most of the prisoners, with 224. Chatham comes second with 169. DeKalb sent 49; Bibb, 94; Muscogee, 66; Richmond, 83; Lowndes, 46. Long and Dale counties only sent one convict each. Included in the prison population are 1,133 farm laborers; 932 laborers; 418 public works laborers; 69 cooks; 61 chauffeurs; 32 mechanics; 22 porters, railroad workers, 11 washwomen, 10 vagrants, 10 barbers, 8 bankers, 16 blacksmiths, 18 bricklayers, 9 butchers, 28 carpenters, 1 dentist, 22 distillers, 12 electricians, 4 engineers, 87 farmers, 2 jewelers, 1 lawyer, 4 merchants, 13 painters, 2 printers, 5 plumbers, 4 policemen, 7 preachers, 3 soldiers, 7 salesmen, 14 clerks, 1 shoemaker, 2 teachers, 1 stage manager, 3 tailors, 10 taxidivers and 3 waiters.

Praises Old Friends Augusta, Ga.—"I have used three of Dr. Pierce's remedies and found each to be all that is claimed for it. The 'Golden Medical Discovery' has permanently relieved, in my family, several cases of stomach trouble and a bad case of bronchitis. The 'Favorite Prescription' has been a blessing to us in feminine troubles. And the 'Pleasant Pellets' are the most perfect liver regulator and the mildest laxative I have ever used."—Mrs. W. E. Palmer, 2016 Clark st.

Go to your neighborhood drug store and get Dr. Pierce's famous Remedies, tablets or liquid. If you are troubled, write Dr. Pierce, President Invalids' Hotel, in Buffalo, N. Y., and receive good medical advice in return, free of all expense.—(adv.)

Freedom Denied TO CUBAN REBELS Havana, May 1.—The five leaders of the Veterans and Patriots' association arrested in Havana Tuesday, shortly after the revolt of soldiers in Santa Clara, were denied their freedom tonight by the three judges who heard their habeas corpus pleas. They were remanded to the civil jail.

They are: Dr. Oscar Soto, secretary general of the association; Mario Garcia Velez, brother of the head of the organization; Carlos Alzugaray and Federico Morales, wealthy sugar plantation owners, and Jose Munoz Vergara, writer, who goes under the name of "Captain Nemo." The men are held on suspicion of being connected with the outbreak in Santa Clara.

Simek Is Guilty Of Letter Threat To Win Million Detroit, May 1.—Vaslav Simek, 26-year-old graduate of the University of Prague, was found guilty by a recorder's court jury late Thursday of attempting to extort \$1,050,000 from Edsel Ford.

The jury was out but a short time. Simek faces a maximum penalty of two years' imprisonment. He will be sentenced next week.

Simek accused his landlady of inciting him to write the three threatening letters that he sent to Ford. These letters, scrawled in laborious and almost unrecognizable English, warned Ford of impending injury to his children unless he paid over the money.

Simek was arrested when he picked up a package "planted" at the spot the letters had indicated.

Edsel Ford went on the stand Wednesday and identified two letters that had been sent to him.

Bishops, 200 Delegates Will Leave on Monday For A. M. E. Conference Bishop J. S. Flipper, of the sixth district of the African Methodist Episcopal church; Bishop W. A. Fountain, of 18th district, and more than 200 delegates and representatives from Georgia will leave Friday evening on a special train to attend the general conference, which will convene in Louisville on May 5.

The Georgia delegation is the largest in the conference and pays one-seventh of the money which it takes to support the general church.

Delegates will come from all sections of the country, including Cuba, Haiti, Jamaica, south and west Africa, South America, Canada, and the isles of the sea. Prominent ministers from Georgia who are aspiring for the bishopric are Revs. L. A. Townsley, J. A. Lindsay and F. R. Sims and general officers Rev. J. A. Hadley, secretary of the missionary department, J. T. Hall, church extension, C. A. Winfield, A. M. E. Review, John Harmon, Southern Christian Recorder.

Leading educators and ministers who will attend from this state are Revs. M. A. Fountain, M. H. Roberts, T. J. Linton, W. J. Williams, C. G. Gray, J. H. McFarlin, J. T. Barr, A. A. Cooper, J. I. Stringer and E. B. Brown.

Bishop R. F. Lee, of Wilberforce, senior bishop, will preside. Delegates from the state have endorsed the return of Bishop J. S. Flipper to the district for another quadrennium.

Tech To Meet Alabama, Mercer Debaters Tonight

MERCER'S DEBATERS, J. E. COOK AND C. W. POPE.

Debaters of Georgia Tech will defend the negative and affirmative sides of the question, "Resolved, That the French Occupation of the Ruhr Is Justified" in the debates tonight scheduled with Mercer in Tusculooosa.

The Mercer team is composed of J. E. Cook, of Wrightsville, Ga., and C. W. Pope, of Tallapoosa.

The University of Alabama's team and the Mercer debaters will argue the same question tonight in Macon, Mercer taking the affirmative and Alabama the negative.

Mrs. Harris was written March 4, the last day of the annual suit trial. It read in part:

"I am ashamed of all he accusations against Elaine, all of which are wholly unjust and untrue."

New York, May 1.—Dr. Nicholas Murray Butler, president of Columbia university, today declined to accept a challenge to debate the issue of prohibition before the Methodist general conference at Springfield, Mass., on May 22.

Dr. Butler declined the challenge in a letter to the Rev. Dr. Clarence True Wilson, of the Methodist general conference staff at Springfield. Replying to a telegram made public at Springfield yesterday, the university president said he could not debate there on the date suggested because of a prior engagement at Kansas City, Mo.

"Were I present at that time," he wrote, "I should hope to offer to the members of the Methodist general conference a convincing argument in support of the proposal that religious and moral forces of the country, which with the best intentions brought in effect the policy of national prohibition by constitutional amendment, should recognize the fact that the policy has failed, and that it has brought in its train appalling and wholly unexpected consequences in the field of both public and private morals."

Knutson Cleared Of Serious Crime After 3 Ballots Washington, May 1.—Representative Harold Knutson, of Minnesota, was acquitted on a statutory charge after the Arlington county, Virginia, jury had been out a little more than an hour. Three ballots were taken before an agreement was reached.

The case against Knutson, who had collapsed, the charge against Leroy M. Hull, indicted with the congressman for a serious crime, immediately was dropped by Judge Samuel G. Brent, and the youth was freed.

After undergoing the terrific tension of a trial, where his entire future hung in the balance, Knutson became wildly jubilant as the jury returned a verdict of "not guilty." He rushed over to the jurors, wrung their hands and then turned animatedly to his friends who had supported him during the trying period to thank them for their aid.

Thursday, the second day of the trial, was marked by bitter fights between counsel for Knutson and the state's attorney. Feeling of the spectators ran high, and following testimony by Representative Fish, of New York, in which he declared his faith in Knutson, the crowd broke into wild cheers, and Judge Brent threatened to clear the room unless they subsided.

Harris Declares Letter Given Out By Wife Forgery New York, May 1.—Beverly D. Harris, former vice president of the National City bank, today branded as an "unqualified forgery" a letter said to have been written by him to a woman named "Elaine," a photostatic copy of which was submitted in supreme court yesterday by his wife, Mrs. Elaine Lee Harris, as a step toward obtaining a new trial of the annulment suit recently decided in Harris' favor.

Harris in a signed statement issued by his attorneys declared:

"No such letter was ever written by me and there is no woman in existence with whom I have any intimate or improper relations to whom such a letter could have been written."

"The whole case in the affidavit and in the letter is a fabrication of the most malicious and brazen character, stimulated by desperation. There will be no step left untaken to expose and punish this latest fraud in its entirety at the proper time."

The "Elaine" letter introduced by

CROWDER IS ACQUITTED OF SLAYING CHARGE

Griffin, Ga., May 1.—Walter B. Crowder, elderly well known farmer of Spalding county, today was acquitted at a preliminary hearing of a charge of murder in connection with the death of Johnny Hucksby, who was slain at Zella, near here, last Saturday afternoon. Crowder said he shot Hucksby in self-defense. Eleven witnesses testified.

of Tennessee wanted Ford to have the Muscle Shoals property and the people of the state felt confident Henry Ford's bid offered the best solution of the situation. He appealed to the committee not to change the bid so that Ford would not accept it.

"Muscle Shoals belongs to the South. Let us select the man and let congress select a business-like contract," he implored.

E. B. Stahlman, publisher of a Nashville newspaper, who held the stand for three consecutive days, concluded his testimony today. He supported the Ford bid with vigor and sharply denounced opponents of the measure, declaring that large sums of money were being expended by the power companies to spread propaganda against Ford's proposal.

He declared Ford was an honest man and would live up to his promises.

"Where does all this opposition to Ford come from?" he asked.

"From the power companies and the fertilizer trusts," he shouted.

The publisher declared Ford would not cripple the farmers of the South, adding "he wants to go on with this work and make a success of it."

He accused the Tennessee and Alabama Power companies with joining the Tennessee Manufacturers' association and contributing large sums of money for propaganda to be carried on in the name of the Manufacturers' association. He charged that Dan McGugin, who opposed the Ford bid before the committee, had acted as an agent of the power companies in spreading the propaganda.

E. G. Liebhold, Henry Ford's private

secretary, will testify tomorrow. He will appear in response to a committee subpoena issued after the committee had received on subpoena a file of telegrams from the Western Union Telegraph company, which had been sent Liebold by James Martin Miller, who claimed to be a representative of the Dearborn Independent, Henry Ford's weekly newspaper.

BUTLER TO TAKE ADAM'S G. O. P. JOB Continued From First Page.

matter at this time so that the prospective chairman might prepare for

taking over the direction of the campaign and be able to start the campaign immediately upon adjournment of the Cleveland convention.

The national chairman is selected by the national committee at a meeting following the convention. Mr. Butler is the present member of the national committee from Massachusetts and is highly regarded by his committee associates.

Move Not Unexpected. Mr. Butler's selection was not unexpected although various other persons had been suggested to the president for his consideration in connection with the chairmanship. Among the names suggested were those of C. Bascom Sloop, long a

member of the national committee, and now secretary to the president; Charles G. Dawes, former director of the budget and recently a member of the reparations commission's experts committee, and Charles A. Dawson, former senator from Iowa and successor to Mr. Adams as a member of the national committee from Iowa. Mr. Coolidge is understood to have decided on Mr. Butler primarily because he has an abiding confidence in the Massachusetts man's political sagacity as demonstrated through years of association between the two. Mr. Butler was trained in the political school of thought of which the late W. Murray Crane was the head. He, like the president, is a man of few words.

Richards Withdraws Resignation, Ready To Play

Action of Tennis Star Likely To Clear Trouble Over Player-Writer Rule

BY WESTBROOK PEGLER.

United News Staff Correspondent.

New York, May 1.—Vincent Richards, of the famous literary doubles team of Richards and Tilden, professional author and amateur athlete, Thursday withdrew his resignation from the American Davis cup team and offered a suggestion which has the sound of an acceptable compromise.

Richards proposed that the amateur rules committee of the Lawn Tennis association should think over its player-writer rule and bend an ear to queries of an indignant public.

Richards believes the public will be greatly exercised about the attempt of the rules committee to subtract his writings from the sum of American literature and implies that the committee will not have the audacity to maintain this attitude when public opinion becomes fully inflamed.

In the throes of literary composition, the young author seems to have committed a literary foot-fault as the sentence of his essay on the subject, the sentence in which he suggests a compromise, shows grammatical lapses as follows: "If at present or any time in the future through public opinion, and the success of every game depends upon public opinion, shows that a change is desirable, the majority of members of the association can always modify or revoke any unpopular or undesirable rule."

Depends on Vigor.

The United States Lawn Tennis association gave out Richards' composition, which was in the form of a letter to George W. Wightman, president of the association. It is apparent in this out-going that Richards, almost falls, in fact, toward the rugged style of writing and depends on vigor, rather than technique for its effect.

Referring to his discussions of the matter with Wightman and other tennis officials since he offered his resignation from the Davis cup and Olympic tennis teams, Richards writes: "The (Holtz) Ward, of the rules committee, has assured me that I am eligible... and that no action will be taken concerning my amateur standing under the player-writer interpretation from 1924 and with the further assurance from all tennis officials present... that if at any time after January 1, 1925, any question shall arise regarding my amateur standing because of my profession as a newspaper writer, I would be given an opportunity to be present and be heard at any conference when my standing as an amateur was being discussed."

For that reason, Richards says, and because he wishes to help the game of tennis, he reconsidered his resignation and withdrew it.

"Will Be Glad to Play."

"I may not be able to play in the Olympic games because of the ruling of the American Olympic committee, but if at the time the players of the Davis cup team are named, my tennis skill warrant my selection as one of them, I will be glad to play. I have taken up general newspaper work as a profession and a means of livelihood and I feel that I should not be considered a professional if in the course of duties, I am assigned to report a tennis game or write a tennis article."

Altogether, the victory in this early skirmish seems to belong to the rules committee which recently enacted law that the Davis cup team be named, Richards always was entitled to representation at any official discussion in which his case is directly concerned and the assurance to which he refers was nothing new.

However, his rather foggy paragraph about future modification or revocation of the rule is the most significant part of the letter. If the officials accept this suggestion they may find some graceful way of making exceptions in Richards case and Tilden's.

National League Prep Track Men Start A. A. U. Meet This Afternoon

BY JOHN STATION.

This afternoon at 2 o'clock the prep school division of the Southern A. A. U. meet will be held. Events will begin promptly at 2 o'clock. No admission will be charged.

One of the beauties attached to the A. A. U. meets is that any qualified amateur may enter. This ruling allows certain good athletes to compete who would otherwise be declared ineligible since they represent no specific school or college.

In addition to the regular prep school entries this afternoon, quite a few independent entries are expected. Many Y. M. C. A. stars will be out to test their stuff on the cinder path and in the jumping pits.

Rosey Smith, champion high jumper of the City Prep league, and decidedly the best prep jumper in the south, will not compete. It is said that he participated in football games last fall, playing for Decatur High, and the previous spring he had been enrolled in Tech High. Since the one-year residence rule is in effect in the City Prep league, Smith has been ruled ineligible.

Loss of Smith To Be Felt.

His loss will be keenly felt by the Tech High track team, as Rosey was practically sure of bringing home ten points. People who have seen Smith in action declare that he has a phenomenal spring, and with a polished form should do well over six feet. He has scissored over the bar at five feet ten inches in the high jump.

Ernest Kontz, star quarter-mile runner of Boys' High, will be on hand to go in that race. He was victor in a thrilling finish.

The entry list of prep for this afternoon's meet includes Boys' High, Tech High, Marietta, G. M. A. University and Commercial High.

On Saturday the college teams will go into active competition. Most of the teams present at the relays will be seen again. The Mississippi Aggies are not coming, however, so there is plenty of room for some enterprising college to step in and win the meet.

No doubt, the outcome on Saturday will revolve around Tech, Georgia, A. C. C. and Auburn. The A. C. C. is entering a particularly strong team this year, and will push hard for first place.

Auburn Makes Progress.

Auburn has made rapid strides forward in the last two years in the matter of track athletics. Auburn was at one time the floor mat of the S. I. C. when it came to track competition, but in the last two years the Tigers have risen to prominence.

In Locke, Stockbridge and Nelson, Auburn has three men who are first raters in their events. Locke is a pole vaulter, first place with a clearance of 12 feet.

This year Stockbridge took the half-mile and the mile events from the best Tech runners. He is especially good on the half, and beat Varney Johnson, a former champion, in the half-mile. Nelson is Auburn's sprinter, and he won first place in the hundred when Tech and Auburn met.

The price list for the meet will be 25 cents for students and \$1 general admission. Student tickets may be purchased at the second gate leading into the grounds at 10 o'clock. The meet will start Saturday, as well as the one this afternoon, is 2 o'clock.

Two weeks issued by Smith in the fourth round of the season, he was followed by singles and one double sacrifice placed, gave the Tigers a four-run lead. The Tigers, however, were unable to capitalize on their lead, and the game ended in a 2-2 tie.

The South Carolinians approach unhesitatingly the mound, and as conclusive evidence of their various diamond abilities go. It is only known hereabouts that Mentor E. P. Mosley, Orange and Black sphere, has been named as the pitcher for the South Carolinians, and he is expected to lead the team.

McGowan, a light heavyweight who fought Stribling three times in notable bouts, has been named as the main attraction for the fight between McGowan and Quinton Romero, the latest importation from the south was recommended by Stribling himself.

WITNESSES TELL STORY OF MOBILE BOOZE PLOT

Mobile, Ala., May 1.—Charges that the campaign fund alleged to have been raised among the bootleggers of the city for City Commissioner George Crawford in his race for city office was to be "split" between William J. Hanlon, John H. McEvoy, George Crawford, Charles F. Howell, and Patrick J. O'Shaughnessy, if it was not necessary to use it for the election of Crawford, was made today by Howell when he took the witness stand in federal court in the trial of members of Mobile's alleged "rum ring."

Hanlon, McEvoy and former Chief of Police O'Shaughnessy are among the persons on trial. Howell, who was former police clerk and at times acting chief of police, was made today by Howell when he took the witness stand in federal court in the trial of members of Mobile's alleged "rum ring."

Howell, who now resides in Columbus, Ohio, where he is said to be a prohibition officer, was the prosecution's "star" witness of today. He will take the stand again tomorrow for more direct examination and more cross-examination.

Makes Complete Denial.

Howell gave a complete denial as to the Crawford campaign fund, testimony about which had previously been given by two other ex-police officers, Clifford Adams and D. S. Pennington. He said he was unable to state when the fund had been "split" as planned, because he resigned from the force last June, due to a shooting affair in which he was involved out in Monroe park. He said he gave all the money he collected to O'Shaughnessy and had never received any of it back again.

Prior to Howell's testimony, Bruce Etheridge, admitted wholesaler and retailer of "shinny," took the stand and told of payments of money to Deputy Sheriff Donohue, one of the defendants, for protection, of being "beat up" by Donohue and of loaning "Pine Top" Thompson, former federal agent on trial, the sum of \$50, which he said had never been paid back.

Etheridge said he sold liquor to Jacob Zuckerman, one of the alleged conspirators who has pleaded guilty and turned "state's evidence," but that Donohue told him he was not to quit as he "was not paying anybody."

Collected Each Month.

"After that I paid Donohue \$50 to \$120 a month for about two years," said Etheridge. "I wouldn't pay off regularly and he would raid me. Then I would pay again. Part of the time Deputy Sheriff Blackman (also on trial) would come and collect for Donohue."

"Finally I got 'in bad' with Donohue. I heard that Donohue had held a meeting of four wholesalers, Davey Harrison, Jimmie Glass, John McEvoy and Dan Jamison (the last three of whom are on trial), and I mentioned it to Blackman and asked him about getting back on \$50 a month."

"Donohue met me after that and asked me about it and then beat upon me. He knocked some of my teeth out and left me unconscious."

Under cross-examination by Jere Austin and J. H. Webb, Etheridge said he was summoned before the state grand jury, but did not go because of the request of Sheriff Casals. He said he went to see Aubrey Boyles, United States district attorney, and they became good friends. Because Etheridge admitted he had no personal knowledge of the meeting of wholesalers, Judge Robert T. Ervin ordered this portion of his testimony stricken out.

DEMOCRATIC LEADERS PLEDGE AID TO SMITH

New York, May 1.—Telegrams from nine democratic leaders in six states, intimating probable support of the candidacy of Governor Smith, of New York, for the democratic presidential nomination, were received today by Franklin D. Roosevelt, director of the Smith boom.

Mr. Roosevelt, in announcing receipt of the messages, said it had been decided to call the committee of which he was appointed the head, the New York state committee for the nomination of Governor Smith. It would, he added, number well over 300 members, many of whom would be picked outside this state.

The former assistant secretary of the navy asserted that "a few of the governor's old friends" would finance the campaign.

BYLLESBY, UTILITIES ENGINEER, DROPS DEAD

Chicago, May 1.—H. M. Byllesby, president of H. M. Byllesby & Company, a pioneer engineer and promoter of electrical, gas and other utilities, dropped dead today, aged 65 years.

Mr. Byllesby was at the time of his death, he had been an officer or director of utilities companies at Mobile, Ala., Fort Smith, Ark., Oklahoma, Ottumwa, Iowa, San Diego and of the Standard Gas and Electric company, Arkansas Valley Railway Light and Power company, Appalachian Power company and other American and English corporations.

Mr. Byllesby at one time was an assistant to Thomas A. Edison.

NO TRACE ON LINER OF GROVER BERGDOLL

New York, May 1.—An all-night search of the new German liner *Colnubus*, which docked in Brooklyn last night after her maiden voyage from Bremen, failed to disclose Grover Cleveland Bergdoll, draft dodger, who was reported to have slipped aboard the vessel at the German port to return to the United States and surrender to federal authorities.

Army officials and a member of the courtmartial which sat at the trials of Bergdoll and his brother, Erwin, stood at the gang plank at the Brooklyn pier this forenoon scrutinizing passengers and crew as they disembarked. Captain Paul Koenig, commander of the submarine *Deutschland*, which made two trips to the United States during the war, was among the passengers. His wife accompanied him. He jokingly remarked that submarines might be used by rum runners, were navigation in coastal waters not so hazardous.

NOTED OUTLAW FREED, TO TURN EVANGELIST

Philadelphia, May 1.—Abe Bazzard, notorious mountain outlaw, was today released from the eastern penitentiary, having completed serving a sentence of 13 years. At one time he was known as "the world's champion chicken thief."

Bazzard, who is 72 years old, has spent 28 years in "action." He told prison officials he intended to become an evangelist.

Annual Flower Show To Be Given By Peachtree Garden Club

The members of the Peachtree Garden club will give their annual flower show at the Piedmont Drive club on Thursday, May 15. At the meeting of the club Thursday at the home of Mrs. Floyd McKee, plans were discussed for the occasion and arrangements made for the exhibition of the exquisite blooms grown by the members themselves. The flower show will be classified and prizes awarded to winners of best blooms and most artistic arrangement.

This flower show sponsored by the Peachtree Garden club is an annual event and is one of the most beautiful affairs given during the year. Last year several hundred interested guests.

Mrs. Phinizy Calhoun, president of the club, presided at the meeting Thursday with 35 members present. A delightful feature of the afternoon was the talk given by Mrs. M. E. Judd, of Dalton, Ga., who is an honorary member of the Peachtree Garden club. Mrs. Judd's own flower gardens are considered among the most beautiful in the state. Her talk was most instructive, as she has given much study and thought to floral culture.

Mrs. Reuben Arnold had charge of the program for the afternoon. She presented Mrs. Robert Alston, who gave a paper on "Summer Bulbs," and Mrs. William H. Kiser, who read a paper on "Straw Flowers." Both papers were splendid, helpful and valuable.

Plans were made to beautify the garden at the home of the Incubator, which the club has taken as a definite work. A gardener will be employed for the summer by the club to care for the garden. In the early fall the members of the club are planning a picturesque formal garden to be laid out by themselves.

The membership of the Peachtree Garden club is composed of a group of prominent society matrons who are interested in flowers and shrubbery.

Miss Farmer Presents Pupils.

A number of the students from the first and second grade piano class of Miss Anna Mae Farmer will give a demonstration of their work in a recital, which is the third public recital for the season in Wesley Memorial auditorium, Saturday afternoon, May 3, at 4 o'clock, assisted by Miss Pauline DeVore, mezzo-soprano; Miss Kate Koch, violinist, and Miss Farmer, accompanist.

An unusual feature of this recital will be the story-telling by the pupils, which is their original work, and is given as their idea of the expression felt in the piece performed. Those participating will be: Misses Mavis Gotheimer, Pauline DeVore, Agnes DeVore, Odel Soyce, Elsa Nix, Alice Parrish, Lulu Thompson, H. Laura Thompson, Margaret Vining, Mary Louise Williams, Miriam Jones, Beuna Vite Miller, Lillian Bloodworth, Jack Fite and Roy Jones. Parents and friends are invited.

Mrs. Wright Is Hostess.

Mrs. Livingston Wright was hostess at a bridge-luncheon Thursday at her home on Habersham road complementing her guest, Mrs. George Grey, of Montclair, N. J., and for Mrs. Holland Judd, of H. H. and Tripp, of Glen Ridge, N. J., the guest of Mrs. George Walker.

Mrs. Harry Blum, of Savannah, the guest of Mrs. Marcus Baker; Mrs. Miller, the guest of Mrs. R. S. Ferrell, and for Mrs. Howard L. Berkley, of Harrisburg, Pa., the guest of Mrs. J. C. Baldwin, Jr.

The lovely home was beautifully decorated with small silver vases filled with rosebuds and violets. Tea was served at the individual tables.

Club Orchestra Will Rehearse.

The orchestra rehearsal of the Atlanta Junior Music club will take place on Saturday at 2:15 o'clock at Cable hall. All members are urged to be present at this very important rehearsal. Mrs. Theodora Morgan-Stephens, director, will be in charge.

The rehearsal for cantata will be held at 5 o'clock on Monday at Cable hall, Miss Ruth Weigand, director.

Miss Donalson Weds Dr. Lea, Of Charleston

Centering the interest of a wide circle of friends was the marriage of Miss Bernice Donalson, of Bainbridge, Ga., and Dr. James Lowry Lea, of Charleston, S. C., the ceremony taking place at nuptial mass at the Sacred Heart church on Wednesday morning, April 30.

A profusion of palms and Easter lilies were used in the decoration of the church. Groups of stately green palms were banked inside the altar rail with tall pedestal baskets of Easter lilies placed on either side. Seven-branched candelabra, holding lighted tapers, gleamed among the foliage and cast a soft glow over the lovely scene.

Miss Gladys Lawson, maid of honor, and only attendant, wore an attractive gown of powder blue charmeuse trimmed in cream lace. Her hat was a cloche model of black straw draped in black silk lace. She wore a corsage of pink roses and valley lilies.

The bride was lovely in a three-piece costume of wood brown tulle, worn with a smart hat to match. Her corsage bouquet was of valley lilies and orchids.

During the ceremony Miss Louise Cwell sang softly "Ave Maria."

Dr. Lea and his bride left immediately following the ceremony for a wedding journey, returning to Norfolk, Va., where they will make their home.

The Night Owls' club celebrated their second anniversary and third birthday at the last semi-monthly meeting held at 415 North Boulevard, on April 26, A. G. Wright acting as host.

New officers were elected for 1924 as follows: Miss Martha Robinson, president; A. G. Wright, treasurer; Philip Webb, secretary; flower committee composed of Misses Martha Lamar and Louise Magill; committee for publicity composed of B. E. Moore and Miss Lillian Wilbanks. Regular members are Miss Louise Dolbs, Miss Elizabeth Etheridge, Miss Winona Magill, Miss Lilly Mae Robinson, Miss Frances Robinson, Miss Pauline Robinson, Miss Mary Thomas, Miss Ben Turner, Miss Edith Wilson, H. E. Ashell, O. S. Coodie, Haynes Yarbrough, Gerald Etheridge, J. W. Etheridge, Clyde Housch, Shelton Lamar, J. H. Matthews, Bob Robinson, W. M. Sims, H. J. Edens.

Night Owls' Club Holds Meeting.

The first year the work was confined to the Home for Incurables. The second year the work was centered among the different needy families of the city. The work for the coming year has not been determined.

The members of Beta Sigma fraternity will entertain at a tea-dance Saturday afternoon from 4 to 7 at College hall, North avenue and Spring street. McIntire's DeLuxe orchestra will play. Chaperons will be announced later.

Miss Emily McPhail Will Entertain Seminary Seniors

Miss Emily McPhail will entertain the senior class of Washington Seminary at a bridge-luncheon Saturday at her home on Huntington road, the lovely affair to mark the first of a series of parties to be given in honor of the graduating class.

Miss McPhail will be assisted in receiving the guests by her mother, Mrs. J. W. Ware, Mrs. Edward Gay, Mrs. George Lindner, Mrs. Charles Northen, Mrs. Emma Rosier and Mrs. E. C. Lester, of Memphis, Tenn.

The guests will be seated for the luncheon at small tables and will include the thirty-five members of the graduating class and the members of the seminary faculty.

Miss McPhail is a popular student of Washington Seminary and will graduate with the class in June.

Mr. Orme Is Honor Guest.

Mrs. Aquila Johns Orme entertained at dinner Wednesday evening, complimentary to Mr. Orme and in celebration of his 50th birthday.

Adorning the handsomely appointed table were two silver bowls filled with pink tulips and gracing the center was a large birthday cake, beautifully embossed and bearing 50 small pink candles. The place cards bore attractive hand-painted figures.

A feature of the evening was the many toasts offered to Mr. Orme by the guests.

Covers were placed for 16, the list including:

A. J. Orme, Sr., Wilmer L. Moore, Sr., Eugene R. Black, Sr., Sheppard Bryan, Albert H. Cox, of Chattanooga, Tenn.; James S. Floyd, Marion M. Jackson, M. C. King, J. M. R. Hossey, Dr. Michael Baker, Robert P. Jones, Henry Davis, Frank Imman, Charles H. Black, Sr., Dr. Bates Block, W. E. Small, of Marion, Ga., and Judge Will Gunn, of Macon, Ga.

Elder, Mrs. A. L. Milligan, Mrs. Calvin Shoverston, Mrs. R. C. Vard and Mrs. Frances Brownell will each entertain a party of friends.

Mrs. Stillwell Robinson will entertain Miss Margaret Eubanks, Miss Ivey Eubanks and Mrs. Cecil Holman.

Mrs. A. P. Flowers donates the angel food cake to be given as the afternoon prize.

Plant Sale To Be Held Today.

The Susanna Wesley class of the Druid Hills Methodist church will hold a flower and plant sale all day Friday, May 2, at the home of Mrs. W. A. Candler, 59 North Decatur road, corner of Oxford road. Take Emory University car and get off at the house. The public is invited.

Atlanta Kappa Alpha Fraternity Plans for Annual Meeting

Plans are being made to entertain 400 members of the Kappa Alpha fraternity Wednesday night, May 7, at the Piedmont Driving club. This will be the annual spring meeting of the Atlanta Alumni association of the fraternity and will be featured by a banquet and a high-class vaudeville entertainment.

Reservations already received from neighboring cities indicate that a hundred out-of-town members of the fraternity will meet with the Atlanta alumni, and all of the five active chapters at the several universities and colleges in the state have notified local members that they will send delegations.

DeSales Harrison, who is chairman of the entertainment committee, has arranged a program to follow the banquet.

Officers of the local alumni association are: Quimby Melton, president; Lowry Nicholson, vice president; Dan Smith, secretary, and Robert Lee Avery, treasurer.

Board of D. A. R. Guests Of Mrs. Charles Rice.

Mrs. Charles F. Rice entertained at an elaborate buffet luncheon Thursday at her lovely home on Peachtree road, complementing Mrs. J. M. High, who has recently returned from an extensive tour of Europe, and the board of management of the Atlanta chapter of D. A. R., of which board Mrs. Rice is chairman.

The lower floor of the home presented a charming scene with its lovely decorations of dogwood, spirea and weigela. Adorning the handsomely appointed table was a silver basket of snapdragons, and placed at intervals on the table were silver candlesticks holding pink shaded tapers.

Many expressions of appreciation of Mrs. Rice's services to the Atlanta chapter of the D. A. R. were voiced by the leaders who attended the luncheon. Mrs. Howard McCall, vice president general for Georgia, spoke eloquently of Mrs. Rice and gave a resume of the national congress held recently in Washington. Mrs. James L. Logan, secretary of the chapter's executive board and a member of the national house committee, was an interesting speaker at the luncheon.

Mrs. J. M. High, vice chairman of the board, received with Mrs. Rice and at luncheon paid tribute to her.

Mrs. High also spoke of the trip abroad from which she has just returned. Mrs. Rice was presented an exquisite string of white coral brought by Mrs. High from Italy.

Toasting Mrs. Rice and her leadership in the D. A. R. were Mrs. Bun Wylie, president of the chapter; Mrs. Charles Love, second vice regent; Mrs. T. T. Stevens, Mrs. Frances Whitely, Mrs. E. R. Kirk and Mrs. Frances Brown Chase.

Mrs. J. O. Wynne served coffee.

Mrs. Rice wore a model of brown lace draped over brown satin.

The guests included Mrs. Howard McCall, vice president general of the D. A. R., and members of the board of management of the chapter, of which Mrs. Bun Wylie is regent.

Knoxville Visitor Honored With Dinner by Miss Brown

Miss Cora Brown entertained at a family dinner party Wednesday evening in compliment to Mrs. W. S. Nash, of Knoxville, Tenn., who is the guest of her cousin, Mrs. Lucien Smith, on Oxford drive.

Mrs. Nash is a native Atlantan, having been Miss Eva Winter before her marriage, and has a host of friends in the city who will give her a cordial welcome.

Mrs. Nash is a prominent member of the Bonnie Kate chapter, D. A. R., of Knoxville, and was a delegate from that chapter to the recent national D. A. R. congress in Washington, D. C.

While in Washington Mrs. Nash was received by Mrs. Calvin Coolidge, with whom she had a personal interview.

Mrs. Nash is the wife of Dr. W. S. Nash, well-known surgeon of the Southern railroad. Dr. and Mrs. Nash recently attended the surgeons' convention of the Southern railroad in Jacksonville, Fla. While in Jacksonville, Mrs. Nash acted as mistress at the formal dinner given to the 125 ladies attending the convention.

STORMS ARE GONE; BRIGHT, PLEASANT WEATHER IS SEEN

Pleasant, fair weather, with temperatures somewhat below normal for this time of the year, may be expected in Atlanta for the balance of this week, according to C. F. von Herrmann, in charge of the local office of the U. S. weather bureau.

Von Herrmann also anticipates no more freak weather, such as tornadoes or cloudbursts. Fair weather is to be the portion of Georgia Friday and Saturday.

The storm which visited this part of the country two days ago has moved into the New England section, with its force increased rather than abated.

The mercury did not rise high Thursday, the noon reading showing it only 65 degrees. At 7 a. m. it was 52 degrees. The highest point reached all day Wednesday was only 68 degrees.

Temperature Low in April.
The month of April showed an average mean temperature 1.8 degrees lower than normal for the month. The average this year was 59.2 degrees, while 61 degrees is normal. The lowest average temperature for the month since 1878, when records were first kept, was 54 in 1907. The highest was 66 degrees in 1896.

The highest point reached by the mercury during the month just closed was 82 degrees, on the 25th, and the

Lowest was 29 degrees on the 2d. The heaviest rainfall within 24 hours was 1.14 inches on April 17-18, when 2.33 inches fell.

Rain Above Normal.
There were 4.13 inches more rain during the month than normal, but this did not make up for the excessive dryness of the earlier months of the year, the fall for the year to date being 2.38 inches below normal. There were 11 clear days during the month, 6 partly cloudy, 13 cloudy, 12 with 0.1 inches of precipitation or more, and 8 with 0.25 inches or more. There was a total of 231.7 hours of sunshine during the month. There were four thunderstorms recorded, on the 17th, 18th, 29th and 30th.

The highest temperature ever recorded in April was April 17, 1896, when the thermometer went as high as 89 degrees, and the coldest weather on record came on April 2, 1881, when it dropped to 25 degrees.

FREAK EGG IS FOUND BY LOCAL HOUSEWIFE

An egg within an egg was purchased from a grocery store Thursday by Mrs. J. W. Reynolds, of 312 Cooper street. The egg was of normal size, but when broken by Mrs. Reynolds, she found a smaller one within the yolk.

Asks Telegraph Office.
The town of Manassas has petitioned the Georgia public service commission to require the Western Union Telegraph company to establish an independent telegraph office there.

Mrs. E. A. Peeples Gives Luncheon For Bride-Elect

One of the most prominent among the social affairs given Thursday was the luncheon at which Mrs. E. A. Peeples entertained at her home on East Fourteenth street, in honor of Miss Marion Stearns, whose marriage to Edward Unton, Jr., will be a brilliant event of next week.

Many lovely spring blossoms featuring the Dresden shades adorned the reception apartments. The table in the dining room was overlaid with a cloth of imported lace and in the center was a silver basket filled with roses, snapdragons, iris and tulips. The mints and dices were in pink and white and placed at intervals on the table were silver candlesticks holding pink tapers.

Mrs. Peeples received her guests wearing a becoming gown of black chiffon.

Miss Stearns was gowned in blue Romaine crepe, with hat to match. The guests included Miss Stearns and the members of her bridal party and also a group of her intimate friends.

Mrs. Witham To Give Luncheon to Mrs. Dana.

Mrs. W. S. Witham will entertain at luncheon at her home on Peachtree road today in honor of Mrs. Charles Dana, of New York.

Assisting Mrs. Witham in entertaining will be Mrs. Arnold Broyles, Mrs. A. W. Calhoun, Mrs. Stuart Witham and Mrs. R. P. Dorsey.

"V" Club Holds Monthly Meeting.

The monthly meeting of the "V" club charter members was held last Wednesday night at the home of Ira H. McCoy. Plans for the summer were discussed.

ATLANTA SAFETY COUNCIL TO HOLD PUBLIC MEETING

The first public meeting under auspices of the Atlanta Safety Council will be held Friday night, May 3, at the First Baptist church, when the work of the safety council will be discussed and cooperation of the public invited. No subscriptions or contributions will be solicited.

Reuben H. Arnold will deliver the principal address, discussing the traffic situation and the imperative need of enlisting general cooperation in reducing accidents in the homes, at work and on the streets. Judge Shepard Bryan, president of the safety council, will preside.

One of the most interesting features of the meeting will be the appearance of fourteen children from the John F. Faith school, where Miss Emma Wesley, the principal, is developing the course in safety instruction which is to be used in all Atlanta public schools. These children, the youngest only six years old, will give a demonstration of safety lessons taught in their class, material for work having been furnished by the safety council.

Two motion picture films prepared under direction of the national safety council will be exhibited, and a musical program will be given. The meeting will begin at 7:30 o'clock.

PROVISIONAL HEAD OF HONDURAS NAMED

Washington, May 1.—A preliminary agreement, under which General Vicente Tosta was elected provisional president of Honduras, was reported to the state department today in a dispatch from Sumner Welles, American delegate to the five-power mediation conference at Amapala. The message said that the agreement had been signed by representatives of the disputing Honduran factions, and that Mr. Welles hoped further disorder and bloodshed would be prevented.

Mrs. W. S. Witham will give a luncheon at her home on Peachtree road for Mrs. Charles Dana, of New York.

Atlanta Children To Enjoy Great Laugh Riot Saturday

SPECIAL WELCOME AWAITS YOUNGSTERS AT HOWARD

Special extra for Atlanta kids. Harold Lloyd, king of movie comedies and the idol of the hearts of little folks, is at your service from 9 to 11 o'clock Saturday morning. This was the announcement of the Howard theater management Thursday night, when it was stated that a special welcome awaits all children of the city at the special matinee for their benefit Saturday morning beginning at 9 o'clock.

The terrific rush on the part of grown-ups to see the great laugh riot, "The Kid," is the latest and greatest comedy, "The Kid," all this week, has in a measure pushed the children to one side and forced them to await proper conditions for comfort and enjoyment.

And these conditions will most certainly rule Saturday morning at the special children's matinee, according to Manager Howard Kingsmore, who predicted Thursday that every seat in the Howard will be filled with a gleeful youngster before the clock strikes nine Saturday morning.

"Just spread the news," he asked.

6TH DISTRICT WOMEN HOLD W. C. T. U. MEET

Griffin, Ga., May 1.—The convention of the sixth district Women's Christian Temperance union, which convened this evening at the First Methodist church, was marked by an address by Dr. Bascom Anthony, Jr., pastor of the Mulberry Street church, of Macon. The convention lasts through Friday.

The first meeting opened Thursday evening with Mrs. D. A. Warlick, the president, presiding. Invocation was made by Rev. Henry Willey, of the Griffin Episcopal church, and was followed by an impressive pageant, how the eighteenth amendment was put over.

A solo by Rev. O. K. Cull, of the Christian church, preceded Dr. Anthony's address.

The program for Friday, the last day of the convention, is as follows: Friday morning, prayer; devotionals. Mrs. George Watson, of Macon. Vocal solo. Welcome address. Mrs. Charles Mills, of Macon. "The Union Signal," Mrs. Lyons of Jackson. Address, Mrs. Florence Atkins, national lecturer, W. C. T. U. Noon time prayers; introduction of visitors and lunch.

Friday afternoon: Song. Devotional. Talk, "The Neglected Link," Mrs. Sara Campbell, state college secretary, of Macon. Talks on "What the Union Is Doing To Sound the Golden Jubilee" by Mrs. W. P. Miller, Barnesville; Mrs. Charles Mills, Griffin; Mrs. C. S. Everett, Thomasville; Mrs. J. L. Lyons, Jackson; Mrs. J. C. Hardy, Macon, and Mrs. D. A. Warlick, Macon. Talk, "Christian Women and the Ballot," Mrs. L. C. Warren. Round table discussion led by Mrs. August Burghard. Dedication of baby white ribbons. Election of officers, and adjournment.

PLAN TO ABOLISH OFFICE OF CHIEF OF POLICE FORCE

A charter amendment to abolish the office of chief of police, creating in its place a "superintendent of police" to have executive authority over the department, will be proposed to council Monday by Councilman Edward H. Inman, chairman of the police committee. The measure will be sponsored by the police chairman personally because of a division of opinion among members of the committee.

Although Councilman Inman declined to discuss the proposal, until he introduces it in council, it was said at city hall that its purpose is to prevent any chance for a comeback by former Chief of Police James L. Beavers, who was discharged on accusations preferred by Councilman Inman last month.

The Beavers case is to be taken to the superior court on certiorari as soon as stenographic transcript of the evidence is complete. Attorney George L. Spence, counsel for Beavers, said, if the job of chief should be abolished, Beavers could not be reinstated as chief.

Opposition to the change was considered certain when it reaches council. It would require enactment of the general assembly to become effective.

Mrs. Livingston Entertains for Two Visitors

One of the loveliest parties of Thursday's social calendar was the bridge-tee at which Mrs. M. C. Livingston entertained at the East Lake Country club in compliment to her sister, Miss Martha Graves, of Washington, and Mrs. Frank Pollock, of Birmingham, who is the guest of Mrs. Bennett Conyers.

The game was played in one of the sun parlors of the club which was attractively arranged with quantities of spring flowers. Tea was served from an attractively appointed table, carrying out a color motif of orange and yellow. The centerpiece was formed of yellow tulips, combined with deep orange carnations, the bonbons and ices further displaying the color scheme.

Mrs. Bennett Conyers assisted in receiving the guests.

The high and low score prizes were a double powder compact and a box of hand-made handkerchiefs. Mrs. Pollock was presented with a pair of lovely Madeira towels and Miss Graves received a pretty French novelty.

Mrs. Livingston received her guests wearing an afternoon gown of ecru, shaded georgette crepe with a hat-to-match.

Miss Graves was beautifully gowned in beige chiffon trimmed in lace. Her hat matched her gown.

Mrs. Pollock's lovely costume was of powder blue crepe heavily beaded in crystals and worn with a transparent black hat.

The guests included Miss Graves, Mrs. Bennett Conyers, Miss Margaret Elder, Miss Winnie Belle Davis, Miss Margaret McArthur, Mrs. Roy Graves, Miss Martha Lawrie, Mrs. Sterling Elder, Mrs. M. H. Couch, Mrs. George D. Pollock, of Birmingham, and Mrs. Augustus Alston.

Mrs. James S. Akers has returned from a visit to her daughter, Mrs. C. M. Fair, of Greenville, S. C., and a visit to Magnolia Gardens in Charleston, S. C.

A bridge-luncheon was given Thursday by Mrs. H. G. Davidson and Mrs. J. C. Weekley at the home of Mrs. Davidson, on East Sixteenth street, in compliment to Mrs. B. A. Schroeder, of Birmingham, Ala.

Miss Martha Jarrell, a junior at Randolph-Macon Woman's College, visited friends in Richmond, Va., during the Easter holidays.

Mrs. J. H. Allen, of Fort Valley, was among the arrivals at the Atlanta Biltmore Thursday.

United States chamber, relating to the transportation and highway problem in all its phases, it was announced by B. S. Barker, secretary of the local chamber.

The Atlanta chamber voted favorably on a recommendation that the national transportation policy should aim at development and maintenance of an adequate system of rail, water and highway transportation, with full cooperative service of all agencies that will contribute to economy and efficiency, and that the important principles of the federal transportation act of 1920 should be continued without change until there has been further experience.

The local chamber also endorsed a recommendation, by the United States chamber, of supplementary legislation in harmony with the general principles of the transportation act, to facilitate consolidations by voluntary action, subject to the approval of the interstate commerce commission.

**BOYS AND GIRLS,
250 STRONG, SEEK
JOBS IN ATLANTA**

Atlanta high schools will turn out 250 young boys and girls into the business world next month, it was announced by Superintendent Willis A. Sutton in a letter mailed to a number of local employers Thursday. These young people want jobs in Atlanta, and among their number are youngsters especially equipped for practically every line of commerce and industry, Mr. Sutton said.

The total number of graduates will be 700, it was stated, but 450 of them have announced their purpose of continuing their schooling in colleges and universities. The graduates represent the survivors among 3,000 children who entered the first grade 11 years ago.

Employers may get in touch with the graduates through the school employment service at 409 Chamber of Commerce building, telephone Walnut 4347.

SEEK HIGHER TARIFF ON COTTON MATERIAL

Boston, May 1.—A campaign for an increase of the tariff on cotton goods was voted today at the semi-annual meeting of the national association of cotton manufacturers. The resolution adopted says in its preamble that since the reduction of duty charges under the Tarwood tariff bill of 1913, imports in cotton cloth have jumped from \$50,000,000 to \$200,000,000.

SMITH OR SILZER, NUGENT DECLARES

Newark, N. J., May 1.—The democratic national committee must select either Governor Silzer, of New Jersey, or Governor Smith, of New York, as the presidential candidate because of the prohibition question, James R. Nugent, Essex county democratic leader, tonight told an audience of democratic women.

"It's either Silzer or Smith," said Mr. Nugent. "The American people want this question settled once and for all."

LAST SERVICE HELD FOR M. H. BOWMAN

Cedarturn, Ga., May 1.—(Special.) M. H. Bowman, 78, prominent citizen of Cedarturn and one of the oldest inhabitants, was buried with Masonic honors here today. He was a Confederate veteran, a member of the Methodist church, a Mason and a Woodman of the World.

Mr. Bowman is survived by his widow and eight children: E. H. Bowman, of Newberry, S. C.; E. M. Bowman, of Chattanooga; H. E. Bowman, of Arkansas; S. W. Bowman, of Atlanta; Mrs. F. L. Bowman, of New Orleans; Mrs. Sue Paley, of Atlanta; Mrs. Edward Maddox, of Oklahoma City, and Mrs. H. A. Riggs, of Corpus Christi, Texas.

Remarkable Interest Shown In Constitution Auto Tour

BY O. J. WILLOUGHBY,
Editor of The Constitution's Highway Department.

Unprecedented interest was shown all day Thursday in The Constitution's personally conducted automobile tour to Panama City and the St. Andrews Bay section of Florida. The party leaves Atlanta Saturday morning, May 17, for one full week of fishing, fun and frolic.

The week will be one replete with water sports of every character, and a moving picture history of the tour, members enjoying the trip and the big events at Panama City will be shown at Loew's Grand theater the week of May 26, as well as in pictures in The Daily and Sunday Constitution.

The Chamber of Commerce of Panama City has organized its membership and that of the Panama City Woman's club into committees to assist members of the tour in enjoying to the utmost the many forms of sport in which the St. Andrews Bay and Gulf section of Florida excel.

Boat Trip Interests Many.

Many of those inquiring at The Constitution office Thursday were keenly interested in the one-day bay and gulf boat trip, on which every member of the tour will be the guest of Panama City for the trip and a fresh fish fry a la Florida. The boat trip will take the party through one of the most beautiful bays on the entire coast of the United States, and out into the Gulf of Mexico.

On other days, members of the party may choose the form of fishing

which they most enjoy, or they may elect to go to the beach where the enticing breakers of the gulf beckon all. The St. Andrews bay section is easily one of the most beautiful and most enjoyable of all the spots in Florida. The forms of sport, recreation and amusement are so diversified that no one need have a dull moment.

Delightful Drive to Florida.

The drive from Atlanta to Panama City is, for the most part, over excellent roads. On the 347 miles of road which the party will traverse, there is not a mile where trouble may be expected. The route follows the Blue Ridge foothills of north Georgia, through Columbus, Cuthbert, Blakely, Columbia, Dothan and Catoosa.

One can see the hills gradually fade away into the sea, on an almost even slope from Atlanta to the Gulf of Mexico. The condition of roads to Columbus is all but perfect, with good roads from there to Cuthbert, and another stretch of excellent road to Blakely. From Blakely to Dothan is good, with only a short stretch of fair road between there and Catoosa, which is followed by a long stretch of ideal gravel and top soil road to the paved streets of Panama City.

It is planned to divide the caravan into two sections. One is to make the trip in a day and a half. The other will take two days. This will permit driving conditions to suit each car and driver, and will greatly reduce the dust, should there be any.

Tire and Car Mechanics.

Each division of the tour will have its own tire and car mechanics to lead the way

and tire and motor mechanics to care for any trouble which may develop en route. The service of these men will be free to members of the tour, and their presence will lend a feeling of security, especially to those who dislike the tedious job of changing tires.

Each car driver will be supplied with a copy of a Constitution motor-log of the route, so that if for any reason the cars should become scattered, a trusty guide will be at hand to point the way at every option of roads, and to warn of every danger, such as railroads and narrow bridges. Block reservations have been made at hotels en route and at Panama City and adjoining towns of Lynn Haven, St. Andrews and Millville, at greatly reduced rates, varying from \$1.50 to \$5 a day for American plan accommodations. These reservations are allotted to tour members as their applications are received and accepted by The Constitution.

Free Toll Passage.

The city of Columbia, Ala., which owns the toll bridge over the Chattahoochee river, has agreed with The Constitution to accept the official badge, which each tour member will wear, as a free pass over the bridge for the two-way passage. This enterprising cooperation on the part of Mayor McGriff and his fellow townsmen is indicative of the hospitality and welcome which will greet the party at every town through which it passes.

Many offers have been made to The Constitution to provide refreshments and entertainment for the party en route. These are being carefully considered, and definite announcements will be made later. While it is the wish of The Constitution to accept as many of these invitations as possible, the time consumed and the interest of members of the tour must be considered.

For the comfort of the party at least three and possibly more stops will be arranged each day—one before noon, one for noon, and one in the afternoon. Of course, each car will have the privilege of stopping for a few minutes at any time during the trip.

The tour manager will be in the office on the first floor of The Constitution building each day from 11 a. m. to 1 p. m. and from 5 to 7 p. m. to discuss every phase of the tour with interested persons.

Cost of Trip Nominal.

The total cost of the trip will be very nominal. One could make the trip with four in a car, including gas and car expense—for as low as \$20 per person, while those who demand the very best of accommodations may easily run this figure up to \$40 or \$50 per person.

To partially cover the cost of arranging the tour, making definite hotel reservations and providing tire and mechanical aid en route, The Constitution requires a fee of \$5 per car, and \$2.50 per person. No charge will be made for children under 12 years of age when chaperoned by parents or friends.

Those who have automobile space for more than their party can easily defray a portion of their expenses by taking paid passengers, which The Constitution will endeavor to arrange. The Constitution will provide banners for the front and rear of each car, and badges for each member of the tour, as well as refueling, tire and mechanical service en route.

The badge which will be worn by every member of the party will be the official pass at all free entertainments, including the big bay and gulf boat trip provided by the chamber of commerce at Panama City.

All May Go on Tour.

Those who wish to go on the tour, and whose applications are acceptable to The Constitution may so whether they live in Atlanta or elsewhere. Arrangements to join the tour at any point may be made, but to do so reservations must be made before the party leaves Atlanta.

Available hotel accommodations are limited, and The Constitution has a block reservation for all available rooms. As soon as these accommodations

Fine Arts Club Will Present Gifted Musician and Lecturer

The Fine Arts club will hold an interesting meeting Monday morning, May 6, at 11 o'clock in the music

Dr. Sigmund Spaeth, noted lecturer and musician, who will speak to the Fine Arts club Monday morning at the home of Mrs. S. A. Lynch.

Ten Eck Brown, the newly-elected president of the club, will preside from Mrs. Stephen A. Lynch, at her home on Peachtree street. Mrs. Brown is a graduate of Haverford college, with a doctor's degree awarded by Princeton university for his scholarly dissertation on "Milton's Knowledge of Music." over the meeting and she will introduce Dr. Sigmund Spaeth, gifted speaker and musician of note, who will address the club, his subject being "Behind the Scenes at the Opera." Sigmund Spaeth, Ph. D., stands alone among the apostles of the tonal art in that he inevitably delivers an inspiring message in completely entertaining fashion, to the permanent stimulation of his hearers. He is a sincere and spontaneous enthusiast, who succeeds in imparting his own convictions through sheer force of personality and authority.

Well known to the musical world as a brilliant reviewer of concerts and opera for the New York Times, Evening Mail and Boston Transcript, Dr. Spaeth is now devoting his entire time to the creation of real music-lovers and to combating old-fashioned traditions of the artificiality. His methods are entirely original and the effects he achieves are truly astonishing.

Dr. Spaeth's talks on music are quite different from any of the conventional performances of the lecture platform. Himself a gifted musician, he can illustrate his points at the piano, or introduce highly entertaining features of a novel character. His sense of humor and practical knowledge of human nature are valuable assets. No matter what elements may enter into the composition of his audience, he succeeds in finding a common point of interest and commanding a close and enthusiastic attention.

In schools, colleges and clubs of all kinds, Dr. Spaeth has exerted a tremendous influence toward the common sense appreciation of good music, fighting against hypocrisy of all kinds and linking his observations with a versatile intimacy with all the related arts, the fields of sport and the friendly pleasures of human society.

A graduate of Haverford college, with a doctor's degree awarded by Princeton university for his scholarly dissertation on "Milton's Knowledge of Music," Dr. Spaeth rests his musical expositions upon a foundation of broad training and authority. He has written extensively for the magazines on a variety of subjects, and is famous also as a translator of song texts and librettos.

STOP, LOOK, LISTEN

LAW NOW EFFECTIVE

Jackson, Miss., May 1.—Mississippi's "stop, look and listen" law, enacted by the last legislature, requiring all motor vehicles to halt before crossing railroad tracks, became effective today. The statute, which specifies that cars must stop not nearer than ten feet from railroad lines, provides a \$50 fine or 30 days imprisonment for violation. The law also bars damage suits in cases where motorists fail to observe it. The act was sponsored by the Brotherhood of Locomotive Engineers.

Runaway Youth Dies in Hospital

Hammond, Ind., May 1.—Robert Merrill, runaway school boy who left home in Batesville, Ark., Saturday, died in St. Margaret's hospital here today.

Mrs. Green Dies.

Washington, May 1.—Mrs. Sarah F. Green, widow of the late Captain W. H. Green, for a number of years general manager of the Southern railway, died here this afternoon. Mrs. Green, who has been an invalid for several years, was 76 years of age, and is survived by a son, W. A. Green, of North Carolina. Interment will be at Hollywood cemetery in Richmond tomorrow beside the body of her husband.

Among the allied nations to pay a cash bonus to their soldiers who served in the world war are: France, \$240; Belgium, \$402; Canada paid her men \$600 each, and her officers \$972. Great Britain, Australia, New Zealand and Italy paid their soldiers a liberal cash bonus.

Mrs. Edward Jacobs, Future Civilization Depends On Standards in Homes

Head of Hadassah, To Visit Atlanta

BY MRS. ALONZO RICHARDSON,
President of the Atlanta Woman's Club.

This is "Law and Order Week." I feel that in the interest of the better homes project I could do no better than to give the impressions left on a large audience at the Woman's Club Monday afternoon, when Rabbi David Marx said that both "Law" and "Order" began in the home. It is a trite and much-used saying that the future civilization depends on the standards maintained by the heads of our homes.

We can never hear it too often, for the glory of America today is the fact that she still abides by the home standards set by our God-loving and God-fearing ancestors. Mrs. Bruce Carr Jones said at the opening of the P. T. A. convention in Savannah yesterday, "Good homes do not happen, they are the result of careful and prayerful planning," and out of such

homes as Mrs. Jones speaks of will come the leaders of tomorrow. With the "careful and prayerful" planning, there will be shown in our city soon the kind of homes that the woman of the house may preside over, whatever her means. Tasteful decorations, labor-saving devices, music for that home, and the cultural influence of books, few in number maybe, but carefully selected. In fact the ideal home. Every woman in Atlanta ought to see these homes, for there is none so perfect in her own home-making that she may not get a helpful suggestion from this exhibition.

Best of all, there will be in each home the hostesses who will carry out the spirit of real hospitality, the spirit of the mother in the home, who says "pride, envy, jealousy, malice, wrong doing and wrong thinking must be left outside, for 'only love can enter here.'"

Dance Date Is Announced By Pi Epsilon Sorority

Great interest centers in the announcement of the formal dance to be given by the Pi Epsilon sorority of Woodberry hall May 14 at the Daughters of the American Revolution chapter house on Fifteenth street.

This is the first of the dances to be given annually by the sorority and today. He was found unconscious on the right of way of the Chesapeake & Ohio railroad near Griffith, Ind., six miles east of here last night and brought here where physicians found his skull fractured. He died without regaining consciousness. Carpal in his pockets resulted in his identification and authorities are awaiting word from his relatives.

TORRY WILL BUILD HOME AT OSSABAW AT \$400,000 COST

Savannah, Ga., May 1.—(Special.) It was announced today that Dr. H. N. Torrey, of Chicago, who recently purchased Ossabaw island and several other smaller islands near here, has let contracts for a residence and other home buildings there at an aggregate cost of \$400,000.

The home will cost about \$200,000; the servants' house \$75,000; the power plant \$50,000, and other buildings will be erected.

Dr. Torrey left yesterday for New York.

He formerly owned Greenwich, the showplace of the environs of Savannah, which was burned some months ago.

It will be a brilliant event: 300 invitations will be issued to the college contingent of Atlanta and out-of-town guests.

The official hostesses for the occasion are: Miss Dorothy Anderson, Miss Marion Strubling, Miss Mabel Elder and Miss Marion Carlock.

Royal Arch Masons Install New Officers And End State Meet

Macon, Ga., May 1.—The closing sessions of the Georgia grand chapter, Royal Arch Masons, began today with the hearing of various committee reports which will be compiled in record form after their adoption. Early H. Johnson, Columbus, newly elected grand high priest, presided.

The closing feature of the annual convention will be installation of officers at noon.

In many respects, this is the best annual session the Georgia Royal Arch members have held, according to the grand officers. The next annual meeting will be held in Macon the latter part of next April.

PORTUGUESE AVIATORS HELD UP IN PERSIA

Lisbon, Portugal, May 1.—The Portuguese aviators, Captain Brito Jass and Lieutenant Sarmiento Beiras, are reported to have been held up in Persia because their passports had not been vided.

The Newest Evening Dresses Are Priced Appealingly Low

Good judges of values—our salespeople—guessed the price of some of these models to be \$45.00 to \$65.00, whereas they are a very modest \$24.75 and \$33.75!

They are indeed quite beyond any values we've known offered at such prices.

The Models Illustrated

The figure seated is a lovely thing of the new bronze Georgette with bronze and gold lace and a gold girdle. Made over a double slip of Georgette. This model is \$33.75.

The figure standing is a charmingly youthful, bouffant model of white net bound in organdie—satin girdle and white flowers.

Made over a lace-trimmed slip. The same model is shown in yellow. The surprising price is \$24.75.

Other Evening Models

Many delightful styles developed from Georgette and lace, nets, chiffons, and combinations. Printed and beaded Georgettes in exquisite colorings.

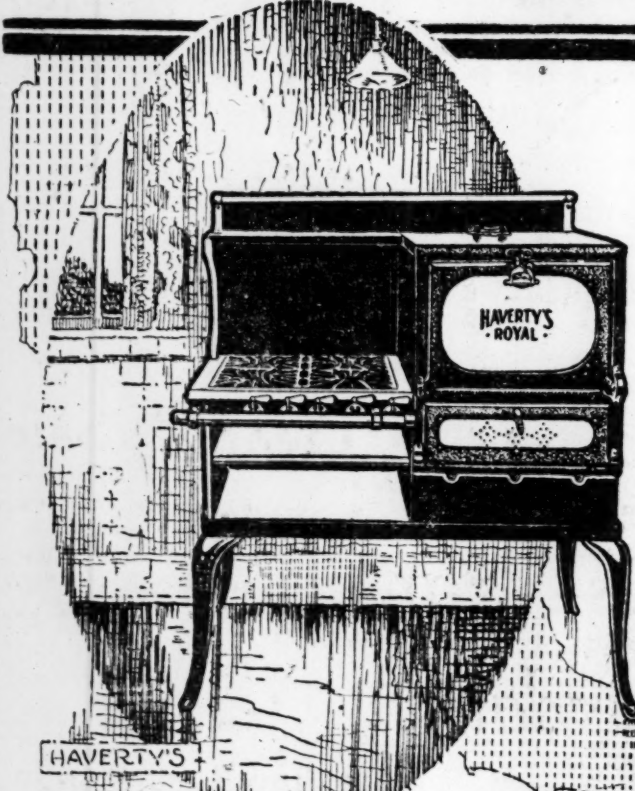

White, black and white, and every pretty evening shade.

GEORGIA SCHOOLS TO GET \$100,000

For the first time since the legislature passed an act three years ago appropriating to common schools one-half of the state revenue in excess of the estimate made at the time appropriations are voted by the assembly, the school department will receive a payment on this account, Governor Clifford Walker announced Thursday.

The system will be paid at least \$100,000 in addition to its regular appropriation of \$4,250,000 the governor stated, and it is probable that the total amount will be far in excess of this sum. A warrant for \$50,000 will be sent to the state department of education at once.

It is impossible to tell the exact amount the common schools will receive for 1923 under the excess income appropriation, inasmuch as many of the tax collectors have not yet made final settlements for state taxes for last year. Although it has been issued in most instances there are thousands of tax payers who do not settle until their property is actually advertised for sale, and this has not yet been done in many counties.

Although revenues of the state for 1922 were almost \$10,000,000 and the schools claimed one-half of the excess above the estimated income of \$8,500,000, or \$1,500,000, this was not paid as it was found all the money had been used for other purposes and under other legislative appropriations.

Governor Walker says he will not pay any deficiency appropriations made by the legislature last year until he knows what the total state revenues for 1922 will be and until the schools receive their half of any excess income. This policy makes additional money available for the schools as soon as it is collected.

The governor sent a telegram Thursday to the state educators now in session at Savannah, assuring them that they can depend upon at least \$100,000 above the regular appropriation of \$4,250,000.

SOFT DRINK CONCERNS SETTLE LITIGATION

Following agreement between counsel for the Chero-Cola company and the Coca-Cola company, involving patent rights of the former, which has been in litigation for several years, a settlement has been effected, according to an order signed Monday by Judge Samuel H. Sibley, in the United States district court of Atlanta, and which was recorded in the clerk's office Thursday.

The bill has been dismissed "without prejudice" to either party and each litigant will pay one-half of the costs of court, according to the order.

Agreement Not Divulged.
Refusing to divulge basis of settlement, counsel for the two companies, Judge Arthur Powell of the law firm of Little, Powell, Smith & Goldstein, representing the Chero-Cola company, and Harold Hirsch, of the law firm of Chandler, Thompson & Hirsch, attorneys for the Coca-Cola company, declared that part of the agreement forbids discussion of the basis.

The litigation which began in 1914 when the Chero-Cola company sought to patent its trade name was taken into United States district court here on July 14, 1921, in a bill filed by the Chero-Cola company in which the court was asked to adjudicate the plaintiff's right to the title. It remained there until Monday.

According to the bill of the Chero-Cola company, requests for patent rights were filed in 1914 and were denied by the examiner of patents. This action was overruled by the commissioner of patents on appeal of the Chero-Cola company and when the Coca-Cola company intervened the matter was referred to the examiner in charge of interferences in the patent office who reversed the finding of the commissioner, the bill stated.

Further New Appeals Taken.
The Chero-Cola company then made a further appeal, and the first assistant commissioner of patents reversed the examiner in charge of interferences. The Coca-Cola company then appealed the case to the court of appeals of the District of Columbia, which in 1921 declared the Chero-Cola company was not entitled to the name, the petition added. The next step was the Chero-Cola's suit in equity which was filed in the federal district court here, and in which Judge Sibley signed the order Monday.

TEACHER TO TELL STORY OF AFFAIR WITH C. O. BARING

White Plains, May 1.—Miss Mildred Beam, school teacher, is expected by District Attorney Rowland to appear voluntarily at his office within the next few days to tell the story of her friendship with Clarence O. Baring, now awaiting trial charged with attempting to murder his wife by putting poison and disease germs in her food. Mr. Rowland emphasized that no suspicion was attached to her.

The district attorney announced yesterday the seizure of a golf bag checked by Baring at Grand Central depot last Friday. In a pocket of the bag, he said, was found a vial of bichloride of mercury tablets.

Officials of the Willard Parker hospital said the disease germs alleged to have been obtained by Baring and placed in his wife's food were so old they virtually were harmless and might even have immunized Mrs. Baring against disease.

Emmanuel M. Steindler, one of Mrs. Baring's attorneys, stated she had inherited considerably more than \$200,000 from her father.

Because of his record as an infantrypman in the 36th division in France, the body of Ed Lockhart, notorious Oklahoma bandit, was buried recently with full military honors by the Veterans of Foreign Wars in Tulsa. All expenses above the amount allowed by the government were borne by the veterans.

NEW MEMBERS SOUGHT FOR JUNIOR CHAMBER

Determined to bring to Atlanta the next annual meeting of the National Association of Junior Chambers of Commerce, the Atlanta chapter of that organization will put on a new membership drive at once for the purpose of increasing its delegation to Cincinnati, where the next national convention of the association will be held in June.

"Atlanta cannot afford to lose this opportunity," said one of the leaders Thursday afternoon. "The Junior Chambers of Commerce of the country are composed of prominent young men of the largest cities, representing the business and professional leadership of the entire nation. It would practically be impossible to estimate the good that would result from a convention of this kind here, especially from a standpoint of advertising."

Chairman C. F. Dieter, of the new membership drive, explained that Atlanta should have a larger delegation to the national meet, and said that in order to obtain added delegates it would be necessary to increase the membership. "One delegate is allowed to each 100 members," he said. Atlanta should have at least three more delegates, and for that reason we should have 300 more names on our rolls."

The slogan for the membership drive will be "Bring Them to Atlanta for 1925."

DR. CHARLES MANLY, FURMAN HEAD, DIES

Gaffney, S. C., May 1.—Dr. Charles Manly, president of Furman university, Greenville, S. C., from 1881 to 1897, died at midnight at the home of his daughter, Mrs. Edward Watson, in Gaffney.

Dr. Manly was born in Charleston, S. C., in 1835 and was a graduate of the University of Alabama and Princeton Theological seminary. He served as pastor of Baptist churches in Tuscaloosa, Ala., Staunton, Va., Murfreesboro, Tenn., Lexington, Mo., Lexington, Va., and Greenville, Belton and Seneca, in this state.

Since 1914 he had made his home with his son, Professor John M. Manly, of the University of Chicago. Funeral arrangements have not been completed but Dr. W. J. McGlothlin, president of Furman university, has asked that the body be allowed to be in state at that institution, according to Mr. Watson.

Quarantine Prevents Lawyer Seeing Client; Trial May Be Delayed

Because of the quarantine at the Fulton county jail, Attorney A. L. Henson, of Calhoun, Ga., Thursday was unable to interview his client, John Wesley Morgan, negro, accused of the murder of Officer S. C. Goss, of Gordon county, and may seek a postponement of the trial, scheduled to begin at a special term of the Gordon county superior court the second Monday in May.

The negro is said to have shot Goss April 16, when the officer tried to arrest him. It is claimed that the officer was shot with his own pistol, while the negro secured in a scuffle with him.

Morgan escaped immediately after the shooting, being later recaptured by Morgan county citizens and county officers. He was hurried to Atlanta for safe keeping, as it is said feeling was high against him.

22ND INFANTRY SKIPS ATLANTA UPON MARCH

Atlanta will not be included in the march on March 14 of the Twenty-second infantry from Fort McPherson to Camp McClellan, Anniston, Ala., the Atlanta Chamber of Commerce was advised Thursday, Colonel D. W. Ryther, in command of the regiment, has announced the line will move via North Gate, Utoi road, and Sandtown road, in order that the heart of the city may be avoided.

More than 1,200 men, with band and full equipment, are to participate in the opening of the Citizens' Military Training camp at Anniston on May 15. The line will camp at Lithia Springs on the first afternoon of the march. The woman's division of the chamber of commerce has been asked by Colonel William R. Dashfield, chairman of the military committee of the chamber, to supply refreshments for the men.

The Half-Time Wife

BY VIOLET DARE

CHAPTER XXIX. Duncan's Promise.

Suzanne drew back into a corner of the elevator, wishing that she could hide behind Duncan Hale. After telling Mrs. Vale that she had not come to see Duncan, it was most disturbing to have this occur! She was too much taken up with her own confusion to realize that Mrs. Vale was quite as embarrassed as herself, and that Lolita had drawn back into a corner herself and turned away, after the most frigid of greetings.

"That's funny," commented Suzanne, becoming interested. "I recall the whole thing now. Lolita had been at the house only a little while when she rushed out into the hall, and Dick went to find her, and came back to tell me that she wanted to go home. Lolita didn't tell me why she wanted to go; just said goodnight very sweetly, and Dick took her home. How queer that she should be with Mrs. Vale this evening here."

"Yes, I tell you, Suzanne, that Vale woman is a queer one. If I were you I'd drop a word to that husband of yours."

Suzanne's laughter was almost hysterical.

"Duncan, if only you knew how many words I've dropped," she exclaimed. "I didn't want to talk to you about Geoff, ever, but now I've got to. He and I have quarreled; I wanted him to explain some things about his conduct, and he wouldn't, and then turned on me, about you. She happened to know that you had sent me some flowers, and that I had written to you. She must have told him. Now he's sure that I care more for you than for him."

"You do!" he declared. "You've always loved me. I've told you that before, but you wouldn't admit that I was right. Now, you see—"

"Oh Duncan, don't be a fool!" Suzanne quite forgot her own doubts of a short time before; she realized anew that her affection for Duncan was dead. "You're just making matters much harder for me by insisting on that. I want you to go to Geoff and tell him that you and I have been"

nothing more than friends since my marriage to him; I want you to convince him of that. It will be hard, but you can do it, for me."

"You know that I'd do anything that would make you happy," he answered slowly.

"Then do this one thing. I'm not going back to Geoff, but I want him to know the truth. Go to our house now—you'll find him there, I'm sure. If he isn't there, wait for him. Tell him that I've told you over and over that I didn't care for you, that I wanted you to go away. Make him realize it. Do that for me, please."

"All right," he answered, rather sulkily.

"Then I'll leave you here," she went on, pausing as she reached a street corner. "I'm staying at the Wickham. You go to our house and talk with him, and then phone me. I'll be in all evening."

She walked on toward her hotel slowly. She hardly dared to think of how that interview between Geoff and Duncan Hale would turn out. Surely Geoffrey would believe Duncan. Then if only Geoff would be reasonable about Mrs. Vale.

It did not occur to her that possibly she was being unreasonable also. She could think only that Mrs. Vale was a scheming woman who sought to make trouble between her and her husband. And certainly Geoff ought to get rid of the woman, or at least put her in her place! "He'll just have to see that," Suzanne exclaimed, as she walked across the lobby at the Wickham, her key in her hand.

If she had troubled to glance about her, she would have seen Geoffrey Atwood, in a far corner, watching her quietly.

HOUSEHOLD SUGGESTIONS

Stained China.

When the baking dishes become brown and discolored from hard usage, steep them for a while in borax and hot water. The marks will wash off like magic.

For Bronchial Trouble.

So many people are suffering from slight bronchial troubles at the present time that a home remedy seems in order. Massage throat and chest with a preparation of 20 grains menthol to 1 ounce of vaseline. This treatment, in connection with deep breathing and chest expansion exercises practiced night and morning, will cure bronchial weakness.

Pass It Along.

Potato water will brighten tarnished silver.

Very hot soapy water means easy dishwashing.

A slice of juicy tomato rubbed on the ink-stained linen will frequently remove the marks.

Never buy canned that seem just a little bulgy. It is a certain sign that the contents are spoiled.

Life in Persia.

The coast region of Persia is humid and the climate unpleasant, but in the interior the climate is agreeable. Certain parts of the interior are very pleasant as a matter of fact, and living offers no trying problem whatsoever. The Persian himself is polite and will treat you rather well. There are many Americans in the oil fields. I understand. I also believe that the oil-fields are situated in the most unpleasant part of Persia, where the climate is unhealthy and fever prevalent.—Capt. Giddings in Adventure Magazine.

His Weakness.

Two street cleaners were discussing a comrade who had died the day before. "Bill certainly was a good sweep-er," said one. "Y-e-e-s," conceded the other, thoughtfully. "But don't you think he was a little weak around the lamp posts?"—Good Hardware.

THE GUMPS—HOME, SWEET HOME

AMUSING ODDITIES.

Do you know that by the time you are 50 years old you will have grown at least 27 yards of finger nails? Some Swiss scientist has dug out this interesting if not specially useful piece of information, by measuring the growth of numbers of finger nails over certain definite periods of time. He found also that children's finger nails grow faster than those of

grownups, that the thumb nail grows faster than the nail on the little finger, and (this we know before) that nails frequently immersed in water grow faster than nails on hands kept very dry. Twenty-seven yards of finger nails seems an awful lot when one thinks of them being filed away in minute fractions by the periodical manicurist.

Here's another amusing fact that won't do you much good. This time it comes out of Germany. If you are blonde with an average head of hair, the hairs strung out end to end would cover 90 miles. But if you are brunette your hair so spread out would cover only 46 miles. So at least it is in Germany, and the reason is that blondes have finer hair and more actual hairs than brunettes. Coarse hair is almost always dark.

Blonde hair is weaker. A single gold hair will support only 68 grams, a single brunette hair will support 113. This, of course, is an average. By the way, this is not an oddity but a bit of useful information that I have been intending to give my

readers for some days. The bureau of home economics of the United States department of agriculture in Washington has published an exceedingly interesting chart called "One Hundred Calorie Portions of a Few Familiar Foods." The chart is all in pictures, and will be a very useful thing to tack up on the kitchen wall as a reminder of the value of food proposed for future meals. It can, I think, be written for.

The offers which line the columns of the A-B-C Classified Section are as safe as the valuables stored in a safety deposit box at your bank.

And like safety deposit boxes, these offers are all numbered—so exactly the same that you may conveniently find the one you want.

By combining an alphabetical list of names with box numbers, a bank keeps a record of those who rent safety deposit boxes.

The numerical classification and alphabetical indexing of the A-B-C Classified Section enable you to keep a record of Opportunity in this same systematic way.

Forehand people go to these opportunity-boxes daily and use the valuable things they find in them.

MUNICIPAL MARKET

TO OPEN SATURDAY

Saturday marks the opening of one of the largest markets in the country, when the Atlanta municipal market will be dedicated to the public with elaborate ceremonies at Edgewood avenue and Butler street.

Colonel William Lawson Peel, president of the market board of directors, will preside over the opening exercises. The Rev. J. D. Mitchell, pastor of St. Mark's Methodist church, will offer the invocation. Three-minute talks will be made by several leading citizens, among whom are Mayor Walter Sims, James L. Key, Ben R. Padgett, president of Rogers Realty company, who acted for the Atlanta Woman's club and the city in the purchase of the property; A. Ten Eyck Brown, Mrs. Alonzo Richardson, president of the Atlanta Woman's club, and Mrs. Norman Sharp, chairman of the market committee of the club.

Many guests of honor. Among the guests of honor at the ceremonies will be Governor and Mrs. Clifford Walker, the mayor and general council of city government; the five Fulton county commissioners; Paul Norcross, president of the chamber of commerce; John S. Cohen, Mark Howell, J. B. Nevin, Dr. B. E. Horton, I. H. Beck, George E. King, Jerome Jones, Alfred Truitt, Mrs. Walter Sims, Charles Grambling, president of the Federation of Labor; Rabbi David Marx and the presidents of the various men's and women's organizations of the city.

Those having in charge the arrangements for the elaborate ceremonies are J. Frank Beck, one of the market directors; Mrs. Norman Sharp, chairman of market committee and a mar-

ket director; Mrs. John B. Hornady, Mrs. H. M. Cobb, Mrs. Louis Leonard, Mrs. W. B. Price-Smith, Mrs. T. C. Harris, Mrs. W. D. Williamson.

Souvenirs to be given. Handsome souvenirs will be presented to those attending. Invitations have been issued to the presidents of the various civic bodies of the city, asking that they present the invitations to their members.

The great municipal market is the outcome of a movement instituted by the Atlanta Woman's club several years ago and the committee of the club has worked unceasingly for the past five years until this great achievement was accomplished. Mrs. Alonzo Richardson, president; Mrs. Norman Sharp, committee chairman; together with the executive board of the club, will act as hostesses with the market committee.

Everything is fresh. Everything to eat will be found at the market—fresh, crisp vegetables, Georgia meats, dairy products, fish, flowers, etc. Merchants who have concessions there are arranging their stalls in the most attractive way and farmers are bringing early produce in their efforts to present their products.

The Southern Decorating company has volunteered to decorate the speakers' stand for the opening exercises, and M. Rich & Co., will present the market committee with a flag, in memory of Lucien York, who was one of the valued directors of the market company. The program will begin promptly at 10 o'clock Saturday morning.

The members of the board of directors of the market are: Colonel William Lawson Peel, president; James L. Key, vice president; John Manget, secretary; W. O. Foote, treasurer; J. Frank Beck, Norman Miller, Mrs. Norman Sharp and Mrs. Irving Thomas.

More than 100,000,000 square feet of reinforced rubber flooring will be used in the new market building, based on the rapid growth of its popularity.

IRON WORKERS

QUIT ON MAY DAY

New York, May 1.—More than 3,000 iron workers went out on strike today, demanding a closed shop and a wage of \$12 for an 8-hour day instead of \$10.50.

Charles Murphy, business agent of the Manhattan local of the International Association of Bridge and Structural Iron Workers, said all construction in Manhattan, Brooklyn and Northern New Jersey was at a standstill.

The strike marred what was expected to be a May day of complete industrial peace. Regardless of the comparative quiet, the police took the usual precautions. Extra guards were detailed to public buildings and churches.

Walter Drew, counsel of the Iron workers, in an open shop employers' union since 1905, said that under no circumstances would employers recognize the demand for a closed shop.

MAY DAY FINDS INDUSTRIAL PEACE IN U. S. In this country, May 1—May day, which sees disturbance and disquiet in many countries, finds the United States at the highest point of industrial peace. Secretary Davis said in a statement issued today.

"There is today practically a job for every worker," he said. "Wages and conditions of labor are better than they have ever been before. The building trades in all of our great cities show steady employment at good wages. Grievances where they exist are being adjusted and in many instances wage agreements are being formulated to cover long periods in the future. The country faces a bright and promising future with employers and workers cooperating for its success."

BOLSHEVISTS HOLD SPECTACULAR PARADES. Moscow, May 1.—Bolshevik Russia today departed from its usual custom of observing May day with spectacular military parades and its celebration of peaceful demonstrations at the tomb of Lenin.

The authorities having decided to allow two days to the celebration, tomorrow will be given over to parades of the communist boy scouts and children of the working classes, who will take the oath of allegiance to the revolutionary principles at Lenin's shrine.

Hundreds of thousands of workers with their families and many government employees marched from all parts of the city today hearing flaming banners and flags and converged upon the

HARMON'S AMBITION

WAS TO MAKE SON PRESIDENT OF U. S.

Chicago, May 1.—The ambition of Jake Harmon, Oklahoma politician and oil man, was not to be secretary of the interior—it was to make his son, Jake, Jr., president of the United States. This was disclosed today by his widow on her return from Washington, where she was summoned to testify before the Teapot Dome investigation committee and then was asked to take the witness chair.

"He wanted to be nothing else but chairman of the republican national committee," Mrs. Harmon said. "I'll get it and I'll hold it for years until Jake, Jr., is old enough to take it over," she told me, she said. "Then I'll make him chairman in my place and let him hold it until he is wise enough and old enough, and when that time comes I'll make Jake, Jr., president—the youngest president of the United States."

Harmon swung his support from former Governor Lowden, of Illinois, to Warren G. Harding, in the 1920 republican convention at her request. Mrs. Harmon said. Harding, she explained, was a distant relative of her family.

"No, but I saw the names of Gregory and Palmer," replied Senator Willis, "and an average of four democrats to one republican."

ENTRIES FOR ART EXHIBIT RECEIVED SATURDAY, MONDAY

Entries for the ninth exhibition of the Atlanta Art association will be received at the Gallery Intime, Atlanta Woman's club building, Saturday afternoon and Monday morning. The exhibition is expected to bring out an even larger number of meritorious works of art, produced by residents of Atlanta and its suburbs, than last year, when 92 paintings, water color, sculpture, buttes and craft entries were accepted by the jury, chairman of the art association exhibition committee.

It is necessary that all entries be delivered to Mrs. John Cooper at the Woman's club building Saturday and Monday so that they may be passed on by the hanging jury and the public from Sunday, May 11, to Friday, May 23.

Dr. S. R. Atkinson, Dentist, Tendered Farewell Banquet

Dr. Spencer R. Atkinson, Atlanta dentist, who, with his family, leaves today to take up his residence in Pasadena, Cal., was guest of honor Thursday night at a complimentary dinner given by 40 Atlanta dentists at the Gay City club.

Dr. Atkinson is a son of Dr. D. D. Atkinson, of Brunswick, who for more than 30 years served as chairman of the state dental examiners. He has practiced orthodontia, the straightening of children's teeth, in Atlanta for seven years, and will go to Pasadena as first assistant to Dr. E. H. Angle, one of the world's leading orthodontia experts, who conducts a large school there.

Among the speakers were Dr. H. H. Johnson, of Macon; Dr. Tom Connor, Dr. H. Harvey Payne, Dr. W. L. Pankhouser, and Dr. Delos L. Hill, all of Atlanta. Dr. H. H. Hill acted as toastmaster. Following the dinner, Dr. Atkinson was presented with a silver service.

Typographical Error May Cost Large Loss In Automobile Taxes

Jackson, Miss., May 1.—Discovery today of a typographical error in Mississippi's new automobile license tax law created the belief in official circles that the state would lose thousands of dollars this year in revenue. The law, when it was enacted by the legislature recently, specified that the tax should be a "minimum" of \$100. The error was the substitution of the word "maximum" for "minimum" by the enrolling clerk. Assistant Attorney General Elmer C. Sharpe today was discussing the bringing of a test case in order that the supreme court might pass upon the error.

AGED FARMER DIES IN CROSSING CRASH

Tusculum, Ala., May 1.—J. M. McKee, 70-year-old farmer, was instantly killed today when his wagon was struck by a Northern Railway passenger train at a crossing near here. He is the father of J. T. McKee, prominent educator and former superintendent of education for Colbert county.

HARMON'S AMBITION

WAS TO MAKE SON PRESIDENT OF U. S.

Chicago, May 1.—The ambition of Jake Harmon, Oklahoma politician and oil man, was not to be secretary of the interior—it was to make his son, Jake, Jr., president of the United States. This was disclosed today by his widow on her return from Washington, where she was summoned to testify before the Teapot Dome investigation committee and then was asked to take the witness chair.

"He wanted to be nothing else but chairman of the republican national committee," Mrs. Harmon said. "I'll get it and I'll hold it for years until Jake, Jr., is old enough to take it over," she told me, she said. "Then I'll make him chairman in my place and let him hold it until he is wise enough and old enough, and when that time comes I'll make Jake, Jr., president—the youngest president of the United States."

Harmon swung his support from former Governor Lowden, of Illinois, to Warren G. Harding, in the 1920 republican convention at her request. Mrs. Harmon said. Harding, she explained, was a distant relative of her family.

"No, but I saw the names of Gregory and Palmer," replied Senator Willis, "and an average of four democrats to one republican."

ENTRIES FOR ART EXHIBIT RECEIVED SATURDAY, MONDAY

Entries for the ninth exhibition of the Atlanta Art association will be received at the Gallery Intime, Atlanta Woman's club building, Saturday afternoon and Monday morning. The exhibition is expected to bring out an even larger number of meritorious works of art, produced by residents of Atlanta and its suburbs, than last year, when 92 paintings, water color, sculpture, buttes and craft entries were accepted by the jury, chairman of the art association exhibition committee.

It is necessary that all entries be delivered to Mrs. John Cooper at the Woman's club building Saturday and Monday so that they may be passed on by the hanging jury and the public from Sunday, May 11, to Friday, May 23.

Dr. S. R. Atkinson, Dentist, Tendered Farewell Banquet

Dr. Spencer R. Atkinson, Atlanta dentist, who, with his family, leaves today to take up his residence in Pasadena, Cal., was guest of honor Thursday night at a complimentary dinner given by 40 Atlanta dentists at the Gay City club.

Dr. Atkinson is a son of Dr. D. D. Atkinson, of Brunswick, who for more than 30 years served as chairman of the state dental examiners. He has practiced orthodontia, the straightening of children's teeth, in Atlanta for seven years, and will go to Pasadena as first assistant to Dr. E. H. Angle, one of the world's leading orthodontia experts, who conducts a large school there.

Among the speakers were Dr. H. H. Johnson, of Macon; Dr. Tom Connor, Dr. H. Harvey Payne, Dr. W. L. Pankhouser, and Dr. Delos L. Hill, all of Atlanta. Dr. H. H. Hill acted as toastmaster. Following the dinner, Dr. Atkinson was presented with a silver service.

Typographical Error May Cost Large Loss In Automobile Taxes

Jackson, Miss., May 1.—Discovery today of a typographical error in Mississippi's new automobile license tax law created the belief in official circles that the state would lose thousands of dollars this year in revenue. The law, when it was enacted by the legislature recently, specified that the tax should be a "minimum" of \$100. The error was the substitution of the word "maximum" for "minimum" by the enrolling clerk. Assistant Attorney General Elmer C. Sharpe today was discussing the bringing of a test case in order that the supreme court might pass upon the error.
